Snow Removal and Parking

The Town of Preeceville would like to remind you to avoid shoveling or ploughing your snow on to the streets, back alleys, and sidewalks. Piling snow on to these areas causes extra work for snow removal, which delays other streets from being cleared. Also, please be reminded that vehicles are not to be parked on the street for more than a 24-hour period and vehicles are not to be parked so that they are obstructing a sidewalk.

Eco Centre

The Eco Centre is closed for the 2024 season. Thank you to all that have used this service.

Garbage Pick Up

Those residents who have been instructed to move garbage for winter pickup from the back alleys to the front of your property are reminded to do so as of **November 1st**.

Business Licenses

The Town of Preeceville would like to remind everyone that to conduct business within the Town of Preeceville, any person who is a contractor, home based business operator, petty trade business operator or a transit trader must obtain an annual business license.
