Valley Springs has had a library since the early 70's. In 2008 we moved to our current location within the VS Elementary School. This joint venture has been a Win-Win situation for both the school and County Library.

Some years ago, former Supervisor Terry Bailey suggested writing a Melodrama as a fundraiser to former FOTL President Sue Smith. For the last 17 years Don Urbanus or Marty Tedder has written the play, and we have been very successful raising funds to help our library with children's programs and buying new books.
