

# Behavior Issues

**Behavior Issues** is a local consulting and Applied Behavior Therapy company that specializes in working with individuals with Autism and Special Needs in the Pacific Northwest.

**Behavior Issues** is hiring BCBA's and BCABA's to work directly with children with autism and special needs. This is an excellent career building opportunity for those in the field of Behavior Analysis, Education/Special Education, psychology, counseling, Sociology, and Autism and Special Needs. Will provide supervision for those who want to become a Board Certified Behavior Analyst.

We are a small business that is rapidly expanding. We have some day hours available as well as after school and on the weekends.

BCBA pay is \$50 or more an hour, depending on experience. We are fine with you also working with another agency.

BCABA's \$30 or more an hour.

RBTs (Behavior therapists) \$18 or more an hour and free training.

We also provide training and supervision for professional development and BCBA supervision.

Current areas where we have a need include, but not limited to, South Seattle, Renton, Auburn, Kent, Tacoma, Puyallup, Federal Way, Enumclaw, Yelm, Gig Harbor, Port Angeles, and Port Orchard.
