- Grp. 01. Ron & Jean Cameron (group leaders)
Grp. 02. Rodney & Carol Jones (group leaders)
Grp. 03. Louella Hopkins (group leader)

**If you are in one of those groups it's your turn.
This includes making sure the building and the lift are secure.**

Securing the building.

It's important to make sure the building is secure when we leave. We of course want to lock the doors but that in itself doesn't secure the door if it doesn't shut all the way. Please make sure the locks are locked and the doors are shut completely and then pull on it from the outside to make sure it is secure, especially the door at the back of the building at the top of the stairs where the elevator is. It doesn't always close all the way. We need everyone's help.

Let Us Pray To Trust And Obey by Mike Riley, Gospel Snippets

The story is told of a Christian man who was among many tourists on a cruise ship. A violent storm arose, sinking the ship and all that were on board, with the exception of this man. Before the ship went down, he managed to grab his suitcase and a flotation device. Miraculously, he drifted upon a small island where he found safety.

Several months went by. Day after day, he prayed for God to deliver him, but his faith was weakening. Fortunately for him, there was plenty of food to be found on the island, in the form of various fruits and nuts. He also found plenty of materials with which to make a grass hut. He realized that his condition could have been much worse.

One day, while he was gathering food on the other side of the island, the wind blew some hot ashes onto his grass hut. When he returned, he found his little grass hut burned to the ground — all his possessions destroyed. He thought to himself, "I've prayed every day for God to deliver me — this is last straw." He then proceeded to give God a piece of his mind. As he was really letting God have it, a ship suddenly approached the island. When the rescue team came up on shore, they said to the man, "It was very wise of you to have such a big fire with all that smoke, or we would never have found you."

Beloved, there's a great lesson for us in the above story. We know that through His providence, God works in ways we many times do not understand. However, we do know this: "***We know that God causes everything to work together for the good of those who love God and are called according to his purpose for them***" (Romans 8:28 NLT).

Our task then, is not to figure out how God works, but to **simply trust Him** (Proverbs 3:5-6) to work everything out **for our good and benefit** (cf. Deuteronomy 6:24; Deuteronomy 10:12-13). Let us pray to trust and obey, so that we might draw closer to the Lord along life's way.
