Strength

by: Dave Hart

Dave Hart preaches for the church of Christ in Anderson, Calif. (via BulletinGold)

Job 6:11-13

"What strength do I have, that I should hope? And what is my end, that I should prolong my life? Is my strength the strength of stones? Or is my flesh bronze? Is my help not within me?"

Strength has been very important to me most of my life. I grew up watching larger than life heroes like Superman, Batman and John Wayne. I always wanted to excel in sports and be bigger and stronger than other men. So, I spent most of my younger life training with weights in pursuit of that goal, and have had modest successes over the years. But now that I'm getting older, I've noticed that my body is starting to hurt from old injuries, and no matter how hard I train, the strength that I worked so hard for is slowly ebbing away a little each year.

Like Job, my hope is not in my own strength, intelligence, money, fame nor anything else in this world which is fading away, and one day will be no more. My flesh is not bronze, but instead is weak and vulnerable. My hope does not lie within me in this perpetually passing life. Therefore, my hope will be in the perfect and everlasting strength of Jesus Christ. Our physical bodies and all that is around us are perishing little by little; nevertheless, because of Jesus in our life, our spirit (the inner man) can grow and be renewed each and every day as we live. Do not put your trust or your hope in your own strength, but lean on the steadfast strength of Jesus Christ, and He will see you through. Philippians 4:13 *"I can do all things through Christ who strengthens me."*
