Late Fee Pick-Up Policy Change Effective April 26th 2014

Dear Parents:

Due to the large number of children remaining at Themba after closing, the following policy is effective within 30 days.

Themba Creative Learning Center closes at 6:00pm. It is suggested that children be picked up by 5:45pm. Children not picked up by 6:00pm will be brought into the front office to wait for their parents and the late pick-up fee will begin to be assessed.

Your child anticipates your arrival and becomes worried and anxious if his/her classmates have all been picked-up while his/her parents have yet to appear. Additionally, our staff puts in an entire full day at Themba; and understandably, they are ready to return to their families, and carry out their personal plans for the evening. It is unreasonable to impose such inconvenience upon them.

Out of respect to our staff and their time, please make arrangements to pick-up your child before the close of business. Be advised that if you arrive after 6:00pm, you will be presented with a late fee form, assessed for the total amount of time for your late arrival. <u>With no exception, LATE FEES</u> <u>ARE PAYABLE AT PICK-UP.</u>

Late fees are payable in cash, personal checks, or credit cards (with the appropriate processing fee). You will be asked to sign a late fee Pick-up Form at your arrival.

Late Fee Per Child: \$15.00 for up to the first 5 minutes \$1.00 for each additional minute

Fees are payable directly to the office staff.

If a family has an emergency near the end of the day, such as a car breaking down an illness, or traffic jams, parents must first inform the Center, and then make alternate plans for pick-up. The late fee will be imposed even under emergency conditions.

After six incidents of late pick-ups, your child will not be able to attend the Center for the next day; additionally, your late pick-up record will be reviewed in consideration for future enrollment with THEMBA.

Refusal to pay assessed late fees or confrontational behavior towards our staff concerning the late fee assessments is strictly prohibited and will jeopardize your child's enrollment at THEMBA.

RE: Healthy & Nutritious Meals/Snack Policy Since 2008

Themba Creative Learning Center provides nutritious breakfast/snacks and milk as part of your child's program. In addition, parents may decide to participate in a hot lunch program provided by Good Foods Catering Company, or bring a healthy lunch from home.

Themba CLC, promotes healthy eating habits and a positive attitude about food. Serving healthy food at preschool sets a great example for children and can be simple to prepare. Try to include at least 2 food groups for variety and balanced nutrition. Snacks/ Meals should be low in fat and sugar. Drinks may include milk, water, or 100% fruit juice.

Themba CLC is a nut free school, please check labels accordingly and DO NOT bring any snacks/meals containing any nut products.

Prohibited Foods

The following potential hazards may not be included in children's lunches sent from home: hotdogs (neither whole nor pieces), nuts, popcorn, raisins, raw peas, corn, raw carrots, cheese blocks, hard pretzels of any size, or grapes. Meat must be cut in a portion that can be safely swallowed whole. ** Please see birthday celebration Guidelines about prohibited foods**

Also, in order to prevent injuries from breaking glass, please do not send drinks in glass bottles. Juice boxes are easy for the children to handle; "Capri Sun" foil containers are not.

Suggested food items are: fruits & vegetables with low fat dips, 100% juice, tortilla chips and salsa, yogurt, fruit muffins, animal crackers, mozzarella sting cheese, multi-grain chips, soft pretzels, pita bread chips, rice cakes, granola bars/no nuts, bagels, cereal bars, oatmeal meat, dry beans..

Themba will not allow any junk food including birthday cake or fast food to be consumed in the facility. Please serve your child before entering into the center any fast food/junk food products. Soda's are not allowed in the center.

Please do not send candy. A child with candy in her lunch will be asked to place it back in her cubby/lunchbox until pick up time. Teachers ask that on the rare occasion when you bring in food from a fast food establishment, you take the toy and food out of the bag, and present the food separately on a plate. The bag and the toy can be kept in your care until you pick up your child at the end of the day.

Healthy Foods For Celebrations Policy revised 8/19/13

Please help us encourage lifelong healthy habits among our children. We encourage parents to join us for their child's birthday or other special occasions.

Typically, foods for celebration include cupcakes, candy, cookies and other "treats" that have a large amount of sugar, calories and fat. There is nothing wrong with an occasional treat, but unhealthy choices have become the norm rather than the exception.

Please submit this form to the classroom teacher one week before your child's birthday party. All parties must start by 3:30pm and end by 4:30pm. Themba does not allow balloons since they are a major cause for choking in young children, **home cooked food, cakes/cupcakes or unhealthy snacks are also prohibited.**

The following is a list of alternatives our facility will allow for celebrations/special occasions that promote and reinforce good nutrition.

Please check all items you may bring to the party.

100% Juice boxes	Crackers
Tortilla chips and salsa	Flavored Milk
Yogurt	Cheese Pizza Only
Fruit Muffins	Crackers with cheese
Fruit Smoothies	Mozzarella string cheese pack
Dried Fruit	Decorations/paper products Goodie
Favors	Bags/No Candy
Pretzels	Entertainment Name
Fresh Fruit/Vegetable	Other
Animal Crackers	

** If you would like something other than the items listed above please speak with the director for approval. Submit to the teacher 2 weeks prior to the event.

Guidelines for Healthy Celebrations

Please help us encourage lifelong healthy habits among our children. We encourage parents to join us for their child's birthday or other special occasions.

Our facility will only allow healthy foods for celebrations. If you feel that you want to provide "treats" for a special celebration here is a list of non-food suggestions:

Stickers	Decorative pencils
Little toys Erasers	Party hats/Favors Bubbles
Finger/hand puppets Glow in the dark items stamps	Whistles Rubber
Party Favors	Fake Tattoos
Fake teeth	Toothbrushes

Before bringing items to the facility, make sure the items you wish to bring are approved and age appropriate for the celebrating group.

Depending on the size and the number of children in your child's class, providing treats or gifts to all the children could become costly. Here are a couple of low-cost, easy ideas that will give your child a memorable experience on their special day:

- △ Decorate your child's classroom. Example: A banner with the child's name and "Happy Birthday." This will make your child feel special during the celebration/special occasion without adding unneeded fat and sugar in the diet.
- Δ Take time to have a meal with your child at the center. This gives your

child personal attention.

- Δ Buy or supply a special book to be read during the day. Make it even more special by coming to your child's class to read the story.
- Δ Plan and provide a special craft project for your child's class.

SHELTER -- IN PLACE PROCEDURES

Dear Parents,

Due to the challenging times we are living in, we have added a new procedure to our school safety and security plan. This plan was designed with the help of MEMA (Maryland Emergency Management Agency), law-enforcement and public health officials.

Public health officials advise us that a shelter-in-place will help protect children from exposure to dangerous chemicals in the event of a biological attack, and the air becomes unsafe to breathe.

If dangerous chemicals are released in the community and pose a threat to children during the day, we would be directed by public health or safety officials to bring all children and staff indoors and to close and secure all doors and windows.

Public safety officials have informed us that the neutral atmosphere pressure created by these actions would create a barrier and help keep chemical agents from leaking into the building. This approach is proven to be safe, much safer than evacuating into contaminated outdoor environments.

During a shelter-in-place incident, our building would be secured and no people would be allowed in or out of the building until an all-clear signal is given from health officials. To ensure that we can adequately provide for all students in the event of an emergency, <u>all</u> parents must prepare an individual emergency kit for their child and send it ASAP. All items must be placed in a 2 gallon zip-lock bag.

This Brochure Provides Information About:

- The requirements that State-regulated family child care homes and child care centers must meet,
- Your rights and responsibilities as the parent of a child in regulated care, and
- How and where to file a complaint if you believe your child care provider has violated State child care licensing regulations.

Who Regulates Child Care?

All child care in Maryland is regulated by the Maryland State Department of Education (MSDE), Division of Early Childhood Development. Within the Division, child care licensing is the specific responsibility of the Office of Child Care (OCC), Licensing Branch.

All child care facilities must meet minimum health, safety, and program standards set by Maryland law. To remain licensed, facilities must maintain compliance with those standards. Every licensed facility is inspected by OCC at least once each year to evaluate the facility's compliance with child care regulations.

OCC's thirteen Regional Offices are responsible for licensing activities, including:

- Issuing child care licenses;
- · Inspecting child care facilities;
- Investigating complaints against licensed child care facilities;
- Investigating reports of unlicensed (illegal) child care; and
- Taking enforcement action when necessary to achieve compliance with regulations.

There are two types of regulated child care facilities: *family child care homes* and *child care centers*.

Family Child Care Homes and Child Care Centers Must Meet the Following Requirements:

- Have the approval of OCC, the fire department and other local agencies, as required (i.e., zoning, health, and environment).
- Provide care only in the areas of the facility that have been approved for use.
- Have the license issued by OCC posted where it is easily and clearly visible to parents. The license shows:
 - the maximum number of children who may be present at the same time;
 - the age groups which may be served; and
 - > the facility's approved hours of operation.
- At all times, each child must be supervised in a manner appropriate to the child's age, activities, and individual needs.
- All areas of the facility used for child care must be clean, well lit, and properly ventilated. Room temperatures should be comfortable.
- If food service is provided, food must be stored, prepared, and served in a safe, sanitary and healthful manner.
- The facility must offer a daily program of indoor and outdoor activities that are appropriate to the age, needs and capabilities of each child.
- An up-to-date emergency information card must be on file and maintained for each child.
- The facility must post an approved emergency evacuation plan and conduct evacuation drills at least monthly.
- Child discipline procedures must be appropriate to a child's age and maturity level and may not include the deliberate infliction of physical or emotional pain. Corporal punishment of any kind is strictly prohibited.

There are certain requirements that apply only to homes or centers.

Family Child Care Homes

- Up to 8 children may be in care at the same time if the home meets certain physical requirements. No more than 2 children under the age of two, including the caregiver's own, may be in care at the same time unless the home has been approved to serve additional children in this age group and an additional adult is present. Under no circumstance may care be provided at the same time to more than 4 children under the age of two.
- Each applicant for a family child care license must:
- Have a criminal background check and child abuse/neglect clearance;
- > Submit a recent medical evaluation; and
- Complete pre-service training requirements, including certification in first aid and CPR.
- Each adult resident of the home must also have a criminal background check and child abuse/neglect clearance.
- After becoming licensed, the caregiver must periodically complete additional training. Also, current certification in first aid and CPR must be maintained at all times.
- Each caregiver must have at least one substitute who is available to care for the children in the event of the caregiver's temporary absence from the home. Each substitute is subject to approval by OCC and must have a child abuse/neglect clearance. If paid by the caregiver, a substitute must also have a criminal background check. Before allowing a substitute to provide care, the caregiver must tell the substitute how to reach parents in the event of an emergency and familiarize the substitute with the home's child health and safety procedures.

Child Care Centers

The center director and staff members who have group supervision responsibilities must meet minimum education, experience, and training qualifications. They must also meet continued training requirements each year. The director and all paid center employees must complete a criminal background check and a child abuse/neglect clearance, and submit a medical evaluation.

 In each classroom, staff/child ratios and maximum group size requirements must be maintained at all times. The following table shows some basic age groupings and the applicable requirements:

Age Group	Ratio	Maximum Size
0-18 months	1:3	6
18 – 24 months	1:3	9
2 years	1:6	12
3-4 years	1:10	20
5 years or older	1:15	30

 For every 20 children present, there must be at least one staff member who is currently certified in first aid and CPR.

Your Rights and Responsibilities as a Child Care Consumer

You have the right to:

- Expect that your child's care meets the standards set by Maryland's child care licensing regulations (NOTE: the regulations are available online at: www.marylandpublicschools.org/MSDE/divisions/ child_care/regulat);
- Visit the facility without prior notification any time your child is there;
- See the rooms and outside play area where care is provided during program hours;
- Be notified if someone in the family child care home smokes. In child care centers, smoking is prohibited;
- Receive advance notice when a substitute will be caring for your child in a family child care home for more than two hours at a time;
- Give written permission before a caregiver may take your child swimming, wading, or on field trips;
- Give written authorization before any medication may be administered to your child;
- Be notified <u>immediately</u> of any serious injury or accident. If your child has a non-serious injury or accident, you must be notified on the same day;
- File a complaint with OCC if you believe that the caregiver has violated child care regulations.

Any complaint you make to OCC about the care your child is receiving will be promptly investigated by OCC;

 Review the public portion of the licensing file for the facility where your child is or has been enrolled, or where you are considering enrolling your child.

How Do I File a Complaint?

If you wish to file a complaint, contact the OCC Regional Office in the area where the child care facility is located. Complaints may be filed anonymously. Listed below are Regional Offices and their main telephone numbers:
