Dear John:

Please know it has been an absolute pleasure working with you and your organization during our successful build out of 2121 S. Tamiami Trail. Southern Cross has been first rate from day one, and I can recommend you and your group without reservation. Dr. Campbell and I are most happy with the end results of our extensive renovation of this property.

Working with Tom Edwards on and off site and Kelly on site was always a most pleasant and productive experience. Dr. Campbell and I are two busy ophthalmologists who cannot always accommodate Southern Cross's work schedule. You all did a great job of working around us and – bottom line – getting the job done!

Southern Cross Construction rocks! Many, many thanks to you and all your associates for your help in getting us into our new home.

Sincerely yours,
