Winter Beat - Holiday Pageant 2016

Thank you everyone for attending this year's Holiday Pageant - Winter Beat!

All the children did a fantastic job of performing on stage especially as for many it was their first time. At ABC we encourage the children to firstly feel comfortable standing on stage with their teachers and if they perform then that is a bonus. The process begins from learning the songs and dances, practicing in their learning groups and then divisions and then all school rehearsals. Performing on stage can be daunting for adults and we are so proud of all our students for giving such a wonderful performance. Thank you also to you all for joining in our all school dance and for helping the morning to be such a wonderfully warm event.

ABC Kindness Committee's Angel Project Update

We were overwhelmed with the response to our call for donations for the Nonohana no ie Children's home and Cosmos Shelter.

We received a total of 136,000 yen from ABC parents. Thank you all for your kindness and generosity. We will transfer the funds to the orphanage this week and will update you in the New Year with the gifts they chose to purchase. ABC will add to the donation and has also sent each child a Christmas stocking filled with snacks, a small toy and the Christmas cards prepared by ABC children

Thank you again and have a wonderful holiday season.
