Re: Vendor Display Space Assignment

Vendor Partners,

Thank you very much for your support of the 2017 Fizz Ehrler Memorial 18th Annual Turning Back Time Car Show Presented by Barb Wire Harley-Davidson and Auto Meter July 30th, 2017. We hope you enjoy great success with our participants and spectators and have a fun day with all of us!

Please bring this Memo (and a copy of your contract if you have one) with you for easy entry through the gate to enter the show area.

The show area has been laid out and spaces have been assigned according to seniority, size requirements, resource needs and availability of real estate.

You'll find your company name and booth number shown on the enclosed location map. The area is also marked with booth number and company name on the curbs, surfaces for your convenience. Please abide by the space allocation for you and your neighbor's best success!

Your main contact on show day is Floyd Stamper who as Vendor Chairman will be on site to assist with information, directions, etc. Most Board Members and some Volunteers will have radios by which Floyd can be contacted. Please feel free to ask anyone for assistance.

In the event of an emergency, please note the location of the EMT Ambulance on site at the entrance of the parking lot at the northwest corner of Somonauk and Elm Streets.

It is recommended that you come in no later than 7AM for set up on the morning of the show. You will need to be completed by 9AM as this is when it really begins to get crowded. Trailers can be parked at the Blackhawk Moving and Storage lot on DeKalb Avenue just a block east of the show. Of course if yours fits within the booth space its welcome to stay!

Best entry point is at Main and Elm streets on the east side of Sycamore. The Gate opens at 6:00am.

Please email if you have any questions prior to show time at turningbacktime2012@hotmail.com.

Let's have a great show!
