GPHS Choir Pledge Car Wash

The Galena Park Choir is hosting a car wash with a twist. Rather than only accept monies from donors who get their cars washed, the students of GP Choir will be asking for pledges from people they know. A small "pledge" per car could add up quickly dependent on the number of cars washed. The choir usually washes 35-45 cars on a Saturday afternoon. Soon after the car wash, the member will return to collect your "pledged" amount. Below are some examples:

Mary Martin	555-123-5555	.25	42	=$10.50
Martin Mary	555-123-5000	.50	42	=$21.00

Please help this student with a pledge. Call if you have any questions or just want to know that your pledge was logged for your choir member. Choir office: 832-386-2831. (Daniel Ponce)
