

MORROCCAN WATERJET LAYOUT & PACKAGING EXPLANATION

Description - Morroccan is a 4-Design Pattern Waterjet Stone mosaic, meaning there are 4 separate pieces - each with a different color combination that make up the design. Because of this, Morroccan is sold in 4 piece sets, each box containing a total of 4 pieces. The Factory has created the item with an intended design, which is illustrated below.

FAQ:

- * **Can I buy just one individual color?**
- No, It is sold only in 4 piece sets as packaged by the factory.
- * **Can I buy just 1 or 2 pieces?**
- No, because it is sold by the 4 piece set it is sold only by the box (4 pieces)
- * **Can I special order just 1 color?**
- This is possible on a case by case basis but lead time would be 10-12 weeks and a minimum qty would apply.

Marketing / Sampling Info - Each Swatchcard sampleboard supplied by IWT includes a range picture to show the layout so the customer can see the intended full design. Due to size constraints of Samples it is impossible to show the full layout in actual pieces, therefore we must rely on the images to best tell the story as with all of our Pattern products.
