

Good Shepherd, Lord

Music and lyrics: Margaret Bagley©

Good Shepherd Lord you care for all my life
There is nothing more I need
In Pastures green you let me graze,
To waters sweet you lead me
For the sake of your name

When I walk the dark valley
I have courage, you are by my side
You care for me, my enemies look on,
But my faith is in you,
My welfare is your joy

Goodness and love will follow me all the days of my life
And I will dwell with the Lord forever more
