

Thrasher RTC (Male) 5/31/19
ILR #293070
GNLC Scorcher x Skylark RTC
Consigned by Randy & Tara Cipriano
RTC Llama Ranch
Garland, NE

If you can use gorgeous to describe a young herd sire prospect, it applies to Thrasher RTC. This striking young show prospect combines flash, structure and disposition. At about 15 months old you can continue to show this junior herd sire. Thrasher RTC is very straight, has great conformation, each step is where it's supposed to be, lots of stretch with bone, great top line and high tail set. He has a gentle disposition, beautiful head and great ears. He possesses lustrous locked to the skin suri fiber, with great coverage from ear to toe. His dam Skylark RTC is one of our biggest and best producing females, she is a big Argentine silky cross. Thrasher is a fourth generation RTC then add GNLC Scorcher and you have an opportunity to purchase one of the best young herd sires in the country. Talk about pedigree protection, his pedigree includes Lopez, RAR Richochet, The Boss, Argentine Fresco, Skylark RTC, GNLC Merlin and Sijama Zestie. Thrasher RTC sells with our ranch guarantee.
