Skills Academy Features: Our Bluejacket Skills Academy is an intensive basketball skill development program for hard working, committed, Bluejacket Boys basketball players. This summer, the Academy will be directed by former Bluejacket and now college basketball player, Micah Ladd. "Micah was always one of the hardest workers on the floor for our basketball program. Micah has worked with multiple trainers to achieve success and he truly knows what it takes to be a successful player in our basketball program and the skills needed to play successfully in our "Havoc" style of play!" (Coach Mike McDonald)

The Skills Academy is open to Boys players who have completed the 6th to 11th grade (2020-2021 school year). Please bring water bottle, we will provide basketballs to use. We will follow Covid-19 protocols and money will be refunded due to the Covid – 19 pandemic if need be.
