If you renew online, don't pay your member dues through anything but <https://www.legion.org/renew> for Legion members, or www.ALforVeterans.org for Auxiliary members. There is currently no link for SAL members to pay dues online.

Please be aware of a company called **Doxo**, which promotes itself as an official American Legion national bill pay site but is NOT affiliated with us. While this payment site *might* work, our members have reported delayed payments, missed due dates, and additional service fees when paying through Doxo. Using our name and logo is unauthorized, this service is not affiliated with the Legion.

If you renew your dues online, always use the official website listed above to pay your dues and update your contact information. The safest, fastest and easiest way to renew your membership is directly through your home Post in person or by mail.

Commander's Corner...

What a great time to think about Spring! What you will plant? New crops this year? Especially with the high prices at the store – this is a great excuse to dig in that dirt! What veggies are you thinking about? When will you start preparing the soil to plant flowers? Will it be annuals for a needed boost or will it be perennials for long lasting Joy? Or maybe there is something you can plant that will nurture both your family and your soul? Let's plant some seeds together for Volunteerism.

Since my time with our Legion, I have a sense of pride and identity. I feel really good about myself, and it gives me a positive view of life. I am a part of something bigger. How about you? There are so many opportunities throughout the community as well as opportunities at our Post. And it does not have to be a huge commitment. Can you promote and share Legion events to increase attendance? Maybe you can connect with others and create a crew to host an event or weekly activity – or just the 2nd Wednesday of the month? The funds from the clubroom and Pull-tabs/Queen of Hearts are not quite enough to pay the bills. If we are going to survive and thrive in our future home – we need others to contribute with fundraising events.

How can you and your family volunteer together to make great memories while supporting our Legion family? Even if you are not up to doing the volunteering yourself – you can help make it happen. Encourage and talk about ideas with others.

I am looking forward to corned beef and cabbage and any other event we can rustle up to get together! Let's all continue to build the strength and camaraderie of our Legion family. The old adage rings true: A family that plays together is a family that stays together.

In service,
Marya Davis, Commander

"You make a living by what you get. You make a life by what you give."

~Winston Churchill

Don't forget, nominations for 2022-23 Legion, Auxiliary & SAL Officers will be held during April meetings. Voting will take place during May meetings. Please try to attend these meetings, make your voice heard and your vote count!

My 2 Cents...
Unit 346 President
Carol Hopson

I am soooo ready for spring, how about you? I'd even happily put up with 90 something degree days instead of all this cold weather. And yes, you can remind me of this comment as we relax on the patio in July! Now that we as a Post have a tentative road map for our future, I can't wait to finally take that trip! To move into and customize a new home for our family.

I'd like to express some sincere thank you's this month. First to all our volunteers. Whether you bartend each week, help with events, buy 50/50 tickets and Coney dogs, make donations or just come to regular meetings, the Post could not survive without you! I'd also like to thank, with all my heart, all of you who simply continue to renew your membership each year. Even if you never set foot inside our building, we thank you for being a part of our family, we wouldn't be Post 346 without our members!

A vital part of membership in the Auxiliary could be volunteering to become an officer. Our Unit currently does not have a 2nd Vice President, Secretary, Chaplain, Membership Chairman, Historian, Girls State Chairman or Poppy Chairman. I currently serve as your President, website Admin, Bulletin editor, Post Communications officer, and am filling in for our Secretary, Poppy Chairman, Girls State Chairman, and Membership Chairman. I gladly do what I do for our Post. However, it is crucial to have a fuller roster of Auxiliary officers, not just to do the work but to express different opinions, inject new ideas and hopefully live up to the goals of the American Legion Auxiliary. The more, the merrier! *Currently there are only about 5 members* who regularly attend monthly meetings and take the opportunity to voice their opinions, but we cannot do it all. Come join us, let your voice be heard and become an active part of our organization. Without your involvement and input, we cannot survive.

Please consider getting actively involved with YOUR Auxiliary Unit. See you at the next meeting?

That's my 2 cents worth, I'm always willing to hear yours,
Carol Hopson, President

All AUX members in good standing (paid) are also eligible to purchase a **PUFL (Paid Up For Life) membership**. Never again ask yourself "Did I pay my dues?" The cost of a PUFL membership is based on two factors - the member's age at the time of application and the dues amount of the Unit. The cost for a 60 - 69 year old AUX member (Unit yearly dues \$40) would be \$822.

If you apply before June 30, 2022 that same PUFL fee would be only \$624! Get your PUFL application

in before our 2023 dues increase goes into effect. Please ask Carol for your personal rate and a PUFL application today! Please note, PUFL fees are non-refundable.

We know how hard it is to remember everything you need to take care of when a loved one passes away, and even harder to know what benefits a deceased veteran may be entitled to.

This is one reason why the American Legion has Service Officers, to help the deceased veteran's family receive all the benefits they may be entitled to. Always remember, and tell your loved ones –

- 1) Know where your DD-214 is. An American Legion service officer can help you get a replacement copy if lost.
- 2) Tell your funeral director that the deceased was a veteran.
- 3) Contact your Post (or the nearest American Legion Post if your loved one was not a member), and not only can you receive the help of a Service Officer but, the Post's Honor Guard can help with a military funeral service. Other benefits might include a free burial plot, headstone, survivor benefits, burial expenses, and an American flag to drape the casket.

It's easy to request a copy of your military service records from the National Personnel Records Center (NPRC) online, or by mail. Includes DD 214 separation documents, personnel records, replacement medals, and/or medical records. Just go to: <https://www.archives.gov/veterans/military-service-records> and follow the instructions. Same day service may be available for emergency requests (for example, medical procedures or funerals).

Generally there is no charge for basic military records provided to veterans, next-of-kin and authorized representatives. If your request involves a service fee, you will be notified as soon as that determination is made. Response time for records requested from the NPRC varies. Response times are typically within 10 days. However, requests that involve reconstruction efforts due to the 1973 fire, or older records which require extensive search efforts, may take 6 months or more to complete. **We cannot stress enough how important it is to have a copy your DD-214 on file!**

When you are a vet and wear a veteran's ball cap or clothing, or display a veteran license plate, those small things that show your pride in being a vet, you are, unfortunately, leaving yourself open to SCAMMERS.

Be aware of being approached by individuals and/or organizations with calls, texts or emails looking for donations. It's very easy to verify the validity of charitable organizations by checking with your State Attorney General's office at: <https://www.michigan.gov/ag/0,4534,7-359-82100---,00.html> or call 517-335-7622, the Better Business Bureau (<https://www.bbb.org/us/mi>), [charitynavigator.org](https://www.charitynavigator.org), [charitywatch.org](https://www.charitywatch.org), or www.AARP.org/money/scams/fraud or call the AARP Fraud Watch Network at 877-908-3360.

Of these, your state attorney general's office is the most likely to pursue criminal action if you suspect you have already been scammed. And if you listen to podcasts, look up "The Perfect Scam" from AARP. They give incredible amounts of information to help keep you informed and aware of scams.

If you have already been scammed, please remember, this does not mean you are stupid or losing your faculties, and you are definitely NOT alone! Literally millions of people of all ages get scammed every day!

My ultimate goal here is not to scare you but to make you more skeptical and to check deeper into the calls, texts and emails that you probably receive every day. They may have told you "you've won money!", "please donate to our cause", "the IRS is preparing to auditing you!" "I really like your profile picture" or other common tactics. If they say to you "this must be done immediately" or "you can't tell anyone about this" or "you must send payment in gift cards" it is definitely a scam!

One more thing to remember, we live in a "way too much information society" where anyone can obtain as much info about you as they need to scam you from the internet. But, they can only see what you put out there, be smart about how much personal information you share on social media sites, dating sites, business sites, etc.

If you read nothing else, please read this. It's not necessarily those members that I always see at the Post, at meetings and dinners, it's those who are older, isolated, eager for personal contact, perhaps their only link with our Post may be this newsletter. Those are the people who may need our help in understanding and avoiding these kinds of issues. Please continue to communicate with friends and family, continue to educate yourself about these scams and keep yourself, your money and your future safe!

FYI: There may be a delay in the processing of online dues payments due to HQ computer issues. Please be patient when waiting for your new 2022 membership card. Remember, it's much easier and faster to pay at the Post.

We accept cash, check or credit cards in the clubroom. Or mail directly to the address on page one. Thank you for your membership with Post 346!

Post 346 Chaplain

Andy Machcinski

My Fellow Legionnaires, On February 3rd we commemorate the ultimate sacrifice the Four Chaplains made onboard the USS Dorchester, but this is not a one day remembrance but an all-year commitment to keep others in your thoughts, prayers and actions.

You may ask; what is a Chaplain? Well let me tell you. Military Chaplain: 1 n A Chaplain in one of the military services. Synonyms: Holy Joe, padre, sky pilot. How long has the Chaplain been around: The U.S. Chaplain Corps is one of the oldest and smallest branches of the Military. The Chaplain Corps dates back to 29 July 1775, when the Continental Congress authorized one chaplain for each regiment of the Continental Army, with pay equaling that of a Captain.

One interesting aspect of a Chaplain is that they are considered a clergyman but do not have to be ordained by a religion, they must be a person of good standing and understanding and can fill the position with proper training. A Chaplain has no church, congregation or fixed location for their ministry. The area of operation is a post, camp, airfield or any place where they can provide solace, comfort and peace.

With that in mind please remember the spirit of sacrifice and giving to others exemplified by the Four Chaplains all year long. Please say this prayer not only in February but all year to remind you of the Four Chaplains:

*Dear God,
We thank you for the great love shown by the Four Chaplains, we remember and honor them. May their sacrifice become the inspiration we need as we go forward with the task of serving you and our country. May your will be done in all our efforts. We pray in your holy name.*

Amen

Regards, your Chaplain.
Andy

Legion families, if you received a new set of dinnerware for Christmas, or you're thinking of getting rid of your old place settings, donate them to us! At our new

facility, we will be starting a pop-up restaurant with different guest chefs. However, we do not own any plates other than our Chinet (LOL). So please keep us mind for dinnerware. The intent would be for a volunteer to adopt & decorate a special dining table for four each month. [Contact Marya](#) for details or if you have questions.
