REQUIRED INFORMATION

Emeritus membership is open to AIA architect or associate members whose membership has been in good standing for 15 successive years and one of the following.

Check all that apply:

I am retired from the profession of architecture and I am at least 70 years of age. DOB _____.

I am incapacitated and unable to work in the architecture profession (*include letter of explanation*).

Emeritus status members certify that:

- I have resigned from my previous firm and relinquished my practice.
- I no longer sign or seal architectural drawings.
- I no longer market my services as an architect or consultant.
- I will refrain from establishing a firm or business name that will imply a continuation of architectural or consulting practice.

Activities Allowed Under Emeritus Status as an AIA Emeritus Member:

- Continue to maintain an architectural license
- Provide minor consulting with past clients and responses to unsolicited requests
- Sit on professional committees, mentor young architects, write for professional journals, and/or teach on a part time basis.

Rather than having a rigorous system of monitoring of Emeritus activities, the AIA assumes that a member in good standing who retires will continue to maintain the previously high level of ethical behavior and will comply with the criteria set forth to the best of his or her ability.

I affirm that the foregoing statements are made in good faith and are true in every respect.
