May 5, 2019

My dear brothers-and-sisters-in-Christ (and you are very dear to me),

Spring has finally sprung! Because of the rain, the grass and plants look vibrant and new! But the newness for which I am the most happy and thankful is the newness of life which God provided through Christ Jesus our Lord and Savior! Hallelujah!!!

You can make a difference, too.

"A merry heart doeth good like a medicine..." Prov.17:22a

“Sherlock Holmes and Dr. Watson go on a camping trip. After a good dinner, they retire for the night. Some hours later, Holmes wakes up and nudges his faithful friend. “Watson, look up at the sky and tell me what you see.” “I see millions and millions of stars,” Watson replies. “And what do you deduce from that?” Watson ponders for a minute, then says, “Well, astronomically, it tells me that there are millions of galaxies and potentially billions of planets. Astrologically, I observe that Saturn is in Leo. Meteorologically, I suspect that we will have a beautiful day tomorrow. Theologically, I can see that God is all-powerful and that we are a small and insignificant part of the universe. But what does it tell you, Holmes?” “Watson, you idiot!” Holmes says, “Someone has stolen our tent!”

Hope to see you at the meeting! I love you. I really do! **Josie**
