

Pressure Washing

OKSR prides itself in the ability to thrive in a variety of service areas. We stand behind our promise that “if it gets dirty, we can clean it”. One of our newest and most exciting services is pressure washing. Through the use of our trailer-mounted, high-heat pressure washing units, we are able to effectively clean the most difficult surfaces.

We have the ability to customize our equipment to the needs of a variety of applications. From the care needed to carefully and effectively execute fleet washes, to the aggressive methods required for an oil rig cleaning, we are a one stop shop for all pressure washing needs.

With competitive pricing and superior service, we are ready to serve 24/7, 365. Call today for more info!
