ROUND-ROBIN FORMAT OF PLAY

Tournament play is an integral part of a junior tennis player's development. The round-robin draw gives juniors an opportunity to compete in many more matches than they would play in a single elimination or consolation event.

- Everyone plays the same number of matches whether they win or lose.
- All division will either play 8 game pro-sets using no ad scoring or 2 out of 3 sets, depending on number of entries.
- Round-robins will be 5 or less in any division. All matches will be completed in one day unless weather causes the tournament to start and/or be completed on the following day. No refunds issued after the draw is made.
- Divisions Offered: 12 & Under; 15 & Under; 18 & Under
