SINGLE CLASS/PLACEMENT CLASS

Students may try out a class with instructor approval for \$20 cash. If the student registers and pays tuition for the month, the \$20 will be credited towards that month's tuition. Students are not permitted to take repeated individual classes. DC-SPA does not prorate tuition. Tuition is calculated on a yearly basis and factors in holidays.

AUTO DEBIT AND OTHER FEES

Tuition will be set up on auto debit to be drawn on the 1st of each month. If tuition is paid via Quickbooks invoice or check/cash before that time, your account will not be auto debited. There are 3 times during the school year when additional fees are charged - September and February. September fees are charged in \$85 increments and cover costumes (per class), headpieces and/or props. The February payment is recital fee. There is a \$40 mandatory video fee that is charged in March. Tickets are sold for the performance and go on sale about a month before recital. All fees must be paid (including late fees) in order for your child to participate in the recital.

STUDIO POLICIES

REGISTRATION

Students may register by mail or in person. New students will pay a NONREFUNDABLE \$40 registration fee. Returning students will pay a \$25 registration fee. Any student withdrawing from classes should notify the office immediately. Unless DC-SPA is officially notified, all registered students will remain on the billing cycle.

TUITION

Tuition will be set up on auto debit to be drawn on the 10th of each month and will be debited through May. If tuition is paid via Quickbooks invoice or check/cash before that time, your account will not be auto debited. Tuition is computed on a yearly average. Holidays are included. The Dance Center does NOT allow students to pay by the class on a continuing basis. All classes are subject to cancellation due to enrollment consideration. NOTE: there will be a \$25 NSF charge on all returned checks. All fees must be paid to participate in recital.

PLACEMENT

Each student will be placed according to his or her ability; NOT by age or years of training. Students will be evaluated for final placement during his/her first month at the school and thereafter will change levels only at the discretion of the instructors.

MAKE-UP CLASSES

Students should make every effort to attend all classes for which they are enrolled. Missed classes must be made up within 30 days of absence.
