Learn Spanish the fun way!

Join our Spanish enrichment classes at Villa Park Elementary School

Give your children the time and opportunity to develop proficiency in Spanish

Research has proven that children should start learning a second language in early childhood.

Among the many benefits, bilingualism improves academic progress in other subjects and increases higher order, abstract and creative thinking and can help students score higher on standardized tests.

Conversa aims to instill a love for Spanish and emphasizes the importance of understanding Hispanic cultures in a fun, active and natural way.

- **Conversa teaches Spanish using a method called Comprehensible Input or Total Proficiency through Reading and Storytelling**
- **Students are introduced to Hispanic cultures and traditions through music, games and crafts**
 - **Conversa's curriculum is sequential and builds upon previously learned vocabulary**
