Sally called the garden club meeting to order at 1:46 P.M.

There was a quorum.

The meeting minutes from April 9, 2019 were accepted and approved as written.

Sally discussed possible plants that would be good for our area such as Lantana, Penta, Vinca and also the variety of colors to choose from. Sally asked the members their preference for plants and colors to purchase for this year's planting. After discussion by the members, it was decided to have a mix of plants and a variety of colors. The pots needing the plants are on the east side, mostly on the north and south planters by the driveways to our condominium. The members agreed to purchase 15-16 plants. There is money in the budget.

After discussion by the garden club committee, it was decided to schedule the annual clean-up, weeding, trimming and planting of annuals for Thursday March 5, 2020 at 10:00 A.M. Members will meet in the front of the East Building.

The members agreed to meet at the courtyard March 20, 2020 at 9:00 A.M. to place the seashells around the outside pool fence area. Sally will let Cheryl know the exact number of bags needed with a request to have the bags delivered before March 20th.

There was no additional business.

The Garden Club meeting was adjourned at 2:07 P.M.

Respectfully Submitted,
Donna Schneider
