

## GEAR

Each member of BART is responsible for skis, ski boots, ski jacket, gloves/mittens, helmet and ski pants.

BART has a program where used gear can be swapped between members for free. This is a first come first serve program and the contents change throughout the year. In the 2015-2016 ski season, Jodi Worden hosts all of the gear. If your child needs any gear, contact Jodi to search through gear or donate outgrown gear. She will also have a list of items for sale and who you can contact if you are interested. If you have something to sell email her a full description of the item, a picture if it is available and the price you are selling it for. Please return all borrowed gear after the season is over if you feel your child will need a new size by the following season.

### Ski jackets:

The **Devo team** has used ski jackets available to use for free for the ski season. We do require they are turned in at the end of the year. Please contact Jodi Worden at either [wordenjodi@gmail.com](mailto:wordenjodi@gmail.com) or 509-301-1651. At this time there is no deposit required for DEVO jackets. As long as jackets continue to be returned we will not require one. ☺

The **traveling race team** has ski jackets that are newer and cost \$50 to rent for the season. This is non-refundable and is required if you are going to travel. We expect our crew to travel in style and have a uniformed look. An additional \$75 fully-refundable deposit in the form of a check or credit card number is also required for these jackets. This \$75 will never be charged to you, unless jackets are not returned at the end of the season. You will not receive your jacket until the fees are paid

### Helmets:

Hard helmets are required for all skiers. Traveling racers are required to have hard ear protectors as part of their helmet. Stickers on your helmet are not allowed at official races for travel team.

If there are any questions about gear and fitting of gear, contact Tera Davis at 509-240-5463.

Gear is available for rent at Dusty's, Ski Haus in Tri-Cities and Bluewood if you feel as if that is your best option.
