VERSION!

T&K IS READY FOR YET ANOTHER GREAT SUMMER! NUMBER 40!!!

Yes, for 40 years, Will and Suzy Liegel and Theatre & Kids has produced a wide variety of opportunities for area children and their families. Exciting summer performing arts camps, diverse Saturday morning classes, and the gold-medal Cantabile Children's Choir filled the years. Our apprentice leadership program trains high schoolers in leadership and the arts. However, looking at how the interests and needs of families have changed, about a decade back, we began to offer an unbeatable combination of all our programs and creativity rolled into three exciting summer weeks.

With *Music Man*, *Annie*, *Pirates of Penzance*, *Little Mermaid*, *Oliver*, and *Cinderella*, *Beauty & the Beast*, our summer program has been a huge success with full camps, great shows, and memories to last a life-time. And now we are back with yet another smash classic.

Our Starlight Summer Show Camp includes the very best of T&K:

It's a Show Camp – A great show staged in just three weeks. Auditions are on Day One and then a disciplined, relaxed, productive rehearsal schedule ending in a true stage-spectacular. Professional staffers who love kids, a spacious stage, great facilities and outside grounds, and many daily opportunities lead to growth, learning, and friendship.

It's a Performing Arts Camp – The show is added to with a dozen varied elective classes, an elective demo performance, snacks, a staff-apprentice talent showcase, lunch break, guest artists, recreation times, openings and closings, and bring-in days, daily games, prizes, surprises, and fun. No wonder campers come back year-after-year!

It's Summer Theatre – A full-scale production allows for kids to experience the wonder of theatre. The biggest shows - polished, professional, and acclaimed. Our recent *shows* were terrific! Check out the pics on our site.

Weekdays 9am to 4pm - No evenings or weekends other than the two performances: Sat, July, 26 2 & 7pm.
(* 8am early arrival and 4:30pm late departure options)

WILLY WONKA! – REDONE BY THE ROYALTY HOLDERS MUSIC THEATRE INTERNATIONAL, it echoes the recent Broadway production with its classic songs like "Pure Imagination," "The Candyman," and "I Want It Now." But, new songs by original composer Anthony Newly have been added with 17 speaking roles for varied age groups – kids, parents, grandparents, and more. This wild tale weaves the wonderful story of a magical candy factory, some truly bizarre families, and Charlie, the one child brave enough to be good. In this version the ensemble also changes and entertains: Villagers, children, reporters, and, of course, the unforgettable Oompah Loompahs. Fantasy happenings, wild sets, amazing roles, and lots to surprise and delight!

Tuition Price \$925 (Sibling Discounts \$50 - Early Bird Registration Discount by April 15 - \$25). As always, Theatre & Kids provides full costumes, sets, lighting, and orchestrations at no extra cost. Note Limited enrollment (60)

Tickets for the actual show will be \$10 each with two free tickets for each participant. Show will be open to the public.

Camp Staffing will include returning T&K teachers and new faces as directors, choreographer, music directors, costumer, stage manager, and teachers, all with full child clearances and all eager to mentor young performers.

The Facility is perfect for our needs. Air conditioned! Spacious stage, 500-seat auditorium, large studios, cafeteria.

Apprentice Program continues for grades 10 - 12. Full participation in the show with added opportunities and mentoring duties: NYC theatre trip, Talent Showcase, and Advanced Classes. **Discount tuition: \$775.**
