January 14, 2013

To the Sherburn and Welcome City Councils,

The department logged 111 calls for service during the month of December. This brought our year-end total to 1,438. This by far was the most calls the department has logged in a year. 2012 started out slow, but activity picked up in early spring and never slowed down after that.

Work on the year-end report has begun and I hope to have this out by the end of the month. We will try to provide as much information as possible and I encourage you to let us know if there are specific statistics that you would like to see in the future. With the reporting system that we use, most statistical information can be tracked, so please ask if there is something you would like to see.

I would like to take this opportunity to welcome the newest council members to both cities. Scott Morrow and Dorothy Behne both joined the council at the beginning of January. We look forward to working with you and welcome any questions you may have.

Hope everyone has a good, warm, January!

Sincerely,

A handwritten signature in black ink, appearing to read "BLH".
