Closing Prayer

As the Coronavirus (COVID-19) and its impact continues to evolve and develop, we remain focused on the health and safety of our members, visitors and our communities. The CDC advises the public to maintain social distance of 6 feet if you venture out to wear a mask, and schools are closed for the remainder of the school year, so keeping that in mind, **we have cancelled all services for the month of April and plan to resume May 3rd.**

 **News and Announcements**

“May the God of hope fill you with all joy and peace in believing, so that by the power of the Holy Spirit you may abound in hope.” - Romans 15:13

“Beloved, I pray that all may go well with you and that you may be in good health, just as it is well with your soul.” – 1 John 1:2

As God Sees

Psalm 105: 16-22

If we could only see the world and our lives from the eyes of God! What would we see? Where we see pain and suffering from our vantage point, we might see God working his plan to save us or our posterity. When we are facing the most difficult trials that seem to overwhelm us, we might find that God is just getting us ready to do his work. His plan is always best because

he works all things together for the good of those who love him and who are called according to his purpose.

Can you imagine the thoughts of the young boy Joseph as he was sold as a slave by his brothers? When he was auctioned in Egypt and bought by Potiphar he could not see that God was working in him.

How could he have known that it was God at work when the wicked woman falsely accused him and he was thrown in prison for a deed he had not done or the despair when his seemingly only hope was dashed as the butler forgot about him when restored to his job? But God was at work to keep his promises and used every event to carry out his word. Praise his name, he is still at work in our lives today, whether we see it or not!

World Bible Class (WBS)

Wayne Ard has a prison ministry and is also assisting some who have indicated an interest with WBS. If you need help getting started or know someone who has indicated an interest, please contact Roy Stephenson.

"Noon" Senior Center Class

The Senior Center will be closed. Classes on Tuesdays are cancelled until further notice.

Sunday Morning Bible Study starts at 10:00 am but is suspended pending a decision regarding the COVID-19 recommendations for social distancing and the number of new cases of the infection.

Please make plans to join us on Sundays when we resume. **For the spring quarter we will be studying from the book of Hebrews.** Please continue to read your Gospel Advocate study guide book.

Just Christians

Come grow with us. If you have any questions or would like to start a home study, contact Roy Stephenson, Minister/Counselor. Phone (828) 557-8882 or email: murphychurchofchrist@yahoo.com

Do you need the help of the church to help strengthen you in your belief? Whatever you need, please join us each Sunday morning for Bible study followed by morning worship in prayer and song.

6:00 PM Wednesday Bible Study

We want to involve everyone who comes to the class. **The class is still cancelled because of the information available regarding the coronavirus. Once this critical time in our country ends, we will**

continue the topic – "The 2nd Coming." The next discussion will focus on "Death and the 2nd Coming". Come prepared to join in the discussion and share your thoughts.

We look forward to YOU being a part of our study and discussion.

Pantry Items

Please let Roy Stephenson know if you know of someone who has a need. If no family or individual has made a special request; then, at the end of each month Lula will pull items off the shelves and take them to the Cherokee County Food Bank, Inc. In Andrews since they have access to the Cherokee County community at-large and average about 100 clients a week. **NOTE: Our pantry is small, so we try not to over stock.** We only give out food if someone is here doing work in and around the church building and have access to the building.

March 25th Lula took all the food items to the Cherokee County Food Bank in Andrew's. The bank is opened to the public on Tuesdays and Saturdays from 10-12.

We will need your help to restock our pantry.

PLEASE NO PERISHABLE ITEMS, e.g. loaves of bread or baked goods because they increase the potential for bugs, and they lose their freshness within a short time span. **The staff at the Food Bank has requested that we give them our empty egg cartons.**

Extraordinary Women Conference

Ladies, ready for a great time of worship and fellowship? **Extraordinary Women is coming to Concord, NC again this fall (October 16-17).** A few of the speakers will be Laura Story - Christian music singer/songwriter and author; Cissy Graham Lynch - granddaughter of Billy Graham and Karen Kingsbury, America's favorite inspirational author! **Price was \$64 until March 30.** Purchases are non-refundable so if you decided to wait the price might be higher. Please let Sheri Goodlet know if you are interested in attending.

In keeping with the CDC recommended reduction in crowd size, our state mandated self-distancing/quarantine and an abundance of caution regarding the spread of the COVID-19 . . . **March's 5th Sunday fellowship meal was cancelled. The next 5th Sunday is May 31st.**

If you do not see your birthday or wedding anniversary listed or the date is incorrect, or your name is misspelled please let Lula know.

REACH, Inc. – Community Project

The ladies made a commitment to supply the REACH, Inc. of Cherokee County domestic violence shelter with cleaning supplies and laundry detergent. If you have items of clothing, children books, etc. to donate please place them in the bin provided in the pantry area or you can take them to the REACH office located behind the thrift store on HWY 64. We can always use some small tote bags and small travel size items to fill them with, e.g. combs, hand sanitizer, toothbrush, travel size toothpaste, deodorant, etc. for their clientele. Recommended size for the tote bags is 9"X9". Put them on the table in the pantry and we will fill them as time permits.

There is also a small donation jar on the table in the back of the church if you would prefer to give money. If you would like to donate on a recurrent basis, please fill out the card on the back table. You can take

it directly by the office or give it to Lula to take for you.

Often the victims leave home with only the clothes on their back, so they are given clothes and furniture from the Thrift Store until they can get back on their feet. They can always use volunteers to help with some of their community outreach activities and local fundraiser events. Call the office at 828-837-2097 or 828-837-8064 for more information.

Fundraisers are always being planned. Fundraisers are needed to supplement government grants. The next major fundraiser is a **"Duck Race"** co-sponsored with Mountain True. Because of concern for public health safety resulting from information regarding the COVID-19, **the date has been rescheduled for July 4th** at the ballfield in Andrews. **Ducks are \$10 each.** Let Lula know if you want to purchase a duck from her or you can stop by the REACH office located on Hwy 64 across from the bank. There are flyers on the back table with more details. **Again, please make note the date has been changed to July 4th.**

4th Sunday Area Singing

International Year of the Nurse

This year has been deemed the International Year of the Nurse and Midwife by the World Health Organization, shining a light on the vital role played by nurses and midwives in providing healthcare around the world, and calling for a strengthening of the nursing and midwifery workforce.

Especially during this worldwide health crisis, it is important to acknowledge nurses and all healthcare workers as they are on the front line of battle daily to care for those not only stricken with this deadly virus, but also other patients who require care in hospitals, schools, nursing homes, urgent care centers and even in remote triage centers being set up all over this country.

GET SMART

Know When Antibiotics Work

Most illnesses are caused by two kinds of germs: bacteria and viruses. Antibiotics can cure bacterial infections – not viral infections.

Bacteria cause strep throats, some pneumonia and sinus infections.

Antibiotics can work.

Viruses cause the common cold, most coughs and the flu.

Antibiotics don't work.

Using antibiotics for a virus:

- Will NOT cure the infection
- Will NOT help you feel better
- Will NOT keep others from catching your illness.

Seek medical advice, if you are having a fever, nausea and vomiting, difficulty breathing and/or diarrhea. These symptoms can lead to complications especially if you have an underlining chronic health problem, e.g. diabetes, bronchitis and/or heart problems. The latest CDC recommendation is to avoid crowds of 5 or more people!

THINGS YOU CAN DO

According to the CDC here's how you can help stop the spread of the coronavirus. (NOTE: This is also applicable to other bacteria and virus spread prevention)

- Regularly wash your hands with soap and water for at least 20 seconds
- If soap and water are not available, use hand sanitizer

with an alcohol content of 60% or more

- Avoid touching your eyes, nose and mouth with unwashed hands
- Avoid close contact - less than 6 feet – with people who are sick especially in a poorly ventilated room.
- Stay home when sick
- Cover your sneeze or cough with a tissue or elbow to reduce spread of droplets
- Clean and disinfect frequently touched objects or surfaces

"The value of persistent prayer is not that God will hear us, but that we will finally hear God," because there is no doubt that now is truly a time for the whole world to stop, pray and hear His voice.

Don't forget to check on your neighbors, family and friends to let them know you are thinking of them. Ask them if they need anything that you can help with while following the recommendations from the CDC to keep everyone safe.
