

Custodian Guardian

Year 16 message

Custodian Guardian of the 7 Tribes living in 7 Provinces calling Shires home! Human greed, immorality, callous recklessness have resulted in species extinction, air, sea, soil pollution, genetic egeneering has created doomsday crop's. **1 GOD** is dismayed!

Humans failure to care for the local habitat, the greater environment, resulting nature defending itself against attack. Nature's weapons of defence are disasters and climate change. Good people are to stand up (**non violent**), shun and shame, against individuals, organizations, politicians that are a threat to human health, survival!

A great threat to humans, animals is burning!
Domestic and non domestic burning of dung, wood, coal, gas and oil for cooking, heating and power, **ENDS!** Power Stations that burn (**coal, oil gas, uranium**) to create energy are **SHUT Down** and dismantled. Energy is produced by non burning. Transport that burns fuel, **ENDS!** Polluting Owners, operators get, **MS R7.** Uranium and Coal mines are closed, sealed. It's Owners, Operators are caged, **MS R7.**

Communities run out of room to store garbage! Everyone has a moral and civil duty to shop much less. Shopaholics get mandatory treatment. A garbage tax is raised on every purchase!

Food, drink in plastic containers is unhealthy and pollutes. It Ends! Polluters are caged! Shun shame retailers that sell food, drink in plastic containers! Replace Government that allows this threat!

Blessed be Custodian Guardian efforts to live in harmony! C.G. holding accountable, individuals, organizations, community, Government! C.G. Proclaimer 16.1.1.1
