

UNDER THE BOARDWALK (F)

Oh when the [F] sun beats down
and melts the tar up on [C] the roof
And your shoes [C] get so hot
You wish your tired feet were fire- [F] proof [F7]
Under the [Bb] boardwalk, down by the sea [F]
On a [F] blanket with my baby is [C7] where [F] I'll be

Under the [Dm] boardwalk, out of the sun
Under the [C] boardwalk, we'll be having some fun
Under the [Dm] boardwalk, people walking above
Under the [C] boardwalk, we'll be falling in love
Under the [Dm] board- walk, board- walk

From the [F] park you can hear
the happy sounds from a [C] carousel
You can almost [C] taste the hotdogs and
French fries they [F] sell [F7]
Under the [Bb] boardwalk, down by the sea [F]
On a [F] blanket with my baby is [C7] where [F] I'll be

Under the [Dm] boardwalk, out of the sun.....
