

VRFP Education Committee Presents...

Upcoming Classes for May 2018 Location: Volunteer Regional Food Pantry

Raising Poultry: Tues, 5/8 (6-8pm)

We will present information on how to raise baby chicks to become meat birds and laying hens. The class will cover how to feed, house, water, protect, warm, and harvest. We'll also cover the do-nots of raising chickens. **Each family in attendance will receive either 12 Giant Cornish male chicks (meat birds) or 12 White Leghorn female chicks (layers) in mid-June.** Call Richard with any questions, 505-0382.

Gardening Class: Tues, 5/22 (6-8pm)

Class will cover gardening basics including selecting a garden site, preparing your soil, setting plants out, proper watering, fertilizing, weeding, and other plant care tips. **Class attendees will receive a variety of vegetable and herb seedlings to take home and plant.** Call Sara with any questions, 314-0283.

All are invited! Class is FREE, donations are welcome.

To sign up, contact programs@unitybarnraisers.org or 948-9005

The Volunteer Regional Food Pantry Education Program is made possible by VRFP volunteers and the support of Unity Barn Raisers and Veggies For All.
