

December 2011

I want to extend my sincere hope that you and your loved ones will have a Merry Christmas and a healthy and prosperous 2012.

As my term as your president is quickly drawing to end, I proudly hand the gavel to your next president, Noble Tony Biscardi. I wish the incoming Executive ceaseless success as we continue to grow our Lakehead Shrine Club. It's wonderful knowing we have twenty-five Masonic brethren who have made the decision to become a member of our Shrine fraternity. However, unless these new members become actively involved with their attendance at our meetings, volunteer their time as well as assist with our summer fundraisers, take a proactive role in our Shrine Circus, and generally become knowledgeable of Khartum Temple and Imperial Shrine, then we as Nobles have left our job unfinished. Make these new Nobles feel comfortable. Why not give one or two new guys a call and remind them of a meeting or better yet offer them a ride. Friendship can be a contagious thing!!

Thank you for allowing me to be the ambassador of the Lakehead Shrine Club and extol the many accomplishments and volunteer contributions to the Nobles of Khartum Shrine in Winnipeg during my tenure as your president.

Noble Craig Wolverton, President
Lakehead Shrine Club
