Scoring the RUMRUNNER:

Late loses - Teams must turn in their evidence and turn up at the after party no later than 9pm.

Points - All missions have a point scale associated with them, points are awarded for completion, quality, timing and hilarity. Point values will be calculated based on the evidence provided by each team. If your team has no evidence to prove completion of a mission, your team will not receive points for the associated mission(s). First, second and third placing teams will be determined based upon the total number of points awarded, e.g., first place will be awarded to the team with the most points. The judges' decisions are final and uncontestable.
