# Architrac<sup>®</sup> | Cut-to-Measure Order Form

### IMPORTANT: PLEASE READ BEFORE PLACING ORDER

- Dimensions are shown from top view of rod
- Illustrations are of various wall designs
- Select the design that fits your room
- Provide all the measurements requested
- Indicate degree measurements of all angles (protractor, order SP2)

# ALL ORDERS MUST INCLUDE RETURNS, EXCEPT ON A SYLE 4 WITH A 90° BEND

- The definition of return is the distance from the wall to the front side of the rod
- On double rod sets, provide return measurements for both rods

# **Custom Styles**

KIRSCH<sup>®</sup>

For styles other than those shown below, you must provide a drawing with necessary measurements plus a full size pattern of the wall area to which the rod is to be mounted. Be sure to locate each end of the rod on your pattern. Give style track and set number.

Unless stated, measurements given are wall measurements and the factory will make allowances.
