

Our Policies

Shipping

At this time we do not ship live plants or vegetable products.

Shipping for all jewelry products is \$3.00. You will be notified of the tracking number when your package ships.

Shipping for larger craft items varies. Please contact us with questions.

Returns

Cash refunds are available only if our products are proven defective. If any shipped item arrives broken, simply send us a photo and we will send a replacement. If an identical replacement is not available, you will be offered the choice of any available product of equal value. Your replacement will be shipped at our expense. Offer is void if more than 10 days have passed since delivery of item.

Payment

If your order requires shipping, payment is expected prior to the items being shipped. When you place an order, we will send you our address. Once we receive your check (or cash at your own risk), we will ship your items and give you the tracking number. If you live in our area and we deliver your items, payment is expected at time of delivery.
