**Barry Gribble – Award Winning Writer and Director
to Appear on “Beyond Just Talk with S. L. Young” on WOL DC 1450 AM**

Arlington, VA – On Tuesday, July 14th at 11 a.m. EST, the guest on “**Beyond Just Talk with S. L. Young**” will be **Barry Gribble** who is an award winning writer and director.

Mr. Gribble is an independent spirit who loves to pursue his passions, which is the reason that he’s never been employed by anyone’s company full-time --- except his own. After graduating college, he started his first company, which focused on software development. Additionally, Mr. Gribble dedicates time to enjoy his creative outlets, which range from playing the guitar, dancing tango, or participating in various outdoor activities.

While working as a software engineer, he realized that this career wasn’t his passion, even though his company generated sufficient income to sustain his lifestyle. It wouldn’t be until years later – after his father’s death – that he understood that his creative pursuits could lead to a career that he enjoyed. Then, after some soul searching, Mr. Gribble connected with filmmaking and identified his passion after making a decision to live with a purpose.

Mr. Gribble is a self-taught filmmaker; his knowledge is derived from trial-and-error, reading books, and discussions in online forums. He’s constantly working to develop, refine, and share his artistic talents. This desire to excel at his craft led him to teach students at the Boston University’s Center for Digital Imaging Arts in Washington, DC. In these classes, he taught students about lighting, sound, editing, producing, and other film making topics.

After earning awards at film festivals, Mr. Gribble moved to Los Angeles, CA to advance his career. This leap of faith – to chase his dream – led to significant professional growth, along with opportunities to learn from entertainment industry veterans. In recent years, his company – Integral Arts – has built its own credentials with his pilot “*Dog*” being awarded “Best Television Show” and his pilot “*3View*” was nominated for “Best Drama”, “Best Director”, and “Best Writer” at the Independent Television Festival (ITVF) and “Best Drama” at the New York Television Festival (NYTVF).

“Beyond Just Talk with S. L. Young’s” host is honored to have Mr. Barry Gribble – an award winning writer and director – on the show.
