

Clarification and Correction of Shavings Policy at Brazos Expo.

The TJBBA will be charged a \$10 per head clean up fee by the Expo. This is a new fee and was not disclosed to the TJBBA until just recently.

As an exhibitor, you have the option of buying shavings from the Expo at their kiosk in the breezeway for \$8 per bag, OR you may bring your own or purchase locally.

Either way the TJBBA is being charged \$10 per head that is not accounted for.

The TJBBA is a non-profit organization that exists only for the purpose of promoting Junior Brangus in Texas and putting on this show.

Out of fairness we would prefer that each exhibitor pay the TJBBA the \$10 per head fee at the show office at arrival to make up for this unforeseen expense to the TJBBA.

In the future, this will be included in the entry fees prior to arrival.

We appreciate your understanding and generosity in helping the Juniors.

As of now, all pens are sold. The costs are \$100 for those under cover and \$200 for the large grass traps in the back. Again, this is an increase from previous years and was not disclosed to TJBBA until recently.

Those costs are exactly what the Expo charges the TJBBA, no markup is included.

RV spots are \$30 per night and need to be reserved and paid for at the Expo kiosk in the breezeway.

Thank you for your patience and understanding.

We are looking forward to seeing you all in Bryan next week and having the best Texas Junior Brangus State Show ever.
