Walt will talk to us about digging, dividing, and storing dahlia tubers. He will also talk about his no-till garden process and use of compost and other best practices he uses to be a successful dahlia grower.

Financial~~ Treasurer Barbara Lindberg: **Holiday Garden Joy of Giving tree:**

So far, we have received seven donations for our tree. So, I'm asking those that have agreed to collect the gift cards, or coupons to please get them to me as soon as possible so we have an idea of the tree's value this year.

I will update the list as it really helps to show the list and value when we are selling the raffle tickets. As you sell the raffle tickets, save the stubs with names and phone numbers and give them to me as soon as you can. We are running behind on the Raffle ticket sales, so we need to get on the ball as this is a big money-making event for our club. The last two years we sold over \$3,500 in tickets. We are way behind that number so far. You can purchase or pick up raffle tickets to sell at the November meeting.

[The Annual AGC Christmas Party](#)~~ will be held on **December 9th, 2019** at the Gleneagle Restaurant in Arlington, WA. We are asking members to pay in advance for the party. The cost is \$20.00. Judy Headrick will have a post at the Greeter's Table at the November meeting so members can make a reservation and prepay for the Christmas Party.

On the day of the party, we will follow our normal schedule of gathering at 11:00am and serving lunch at 12:00. There will be no business meeting but we'll have other events, including a gift exchange. If you want to participate in the gift exchange, bring a wrapped item with a value \$15.00 or less. This can be any item that is new or gently used that you feel someone would like to receive.

If you won't be able to attend the November meeting but want to attend the Holiday Party, please contact Judy Headrick or Guyce Lafavour to make alternate arrangements for payment and to reserve your seat. We have to give the restaurant owner a head count a week in advance of the party. So please let us know if you plan to attend no later than December 1st.

[Website Information](#)~~ From Tina Wilson: Meeting Handouts and Project Info on the Website - Speakers at our monthly meetings often bring handouts with a lot of interesting and useful information on them. The handouts are now listed on the AGC website (arlingtongardenclub.org) by topic. Go to the Members Page then click on the links in red to view each topic/handout. The document will load onto a separate tab. In the upper right corner of the window you will see a down facing arrow to download or click on the printer icon to print. It's that easy!

Holiday Garden: Fifteen people attended the September 23 meeting at Gleneagle generating a lot of ideas and good suggestions.

There is a work party for making crafts at Sherri McCarthy's on Tuesday, Oct 22.

The meeting was called to order by President Jan Hawley at 11:20 am.

Minutes of Prior Meeting: Approved as published in the Scoop.

Financial Report: Approved as presented.

President's Report: Jan reminded us that as AGC members we are all members of the Evergreen Arboretum. As members, we are eligible to take classes at no charge. A "tribute tree" will be planted on Saturday October 19 at 11:00 am, and marked as being from the AGC.

Holiday Giving Tree: Barbara Lindberg has a uniform request letter that members can share with any merchants who want to participate in this fundraising effort. She asks that members check in with her before approaching potential donors to avoid duplication. Things are going well so far and she anticipates surpassing last year's totals.
