PRESIDENT'S MESSAGE

Nettie A. Kauffman

As I sit and write this article for the ECHO, I wonder if winter will show up this year! Spring begins on March 20 and it seems we are getting our springtime weather in January. Let's hope that winter doesn't show up for our March 4 county Grange meeting.

I want to take this opportunity to thank Lindsay Schroeder for completing the 2023 county Grange calendar. Yes, it comes in a different format than we were always used to. If you have any comments, or corrections, regarding this calendar format, please do not hesitate to contact me (610-926-5389 or Nettie6142@gmail.com), or your Subordinate President, and let them know so they can pass the information onto me.

During this past quarter, Treasurer Jacob Mengel handed in his resignation in order to spend more time with his family and has been given extra responsibilities at his workplace. At the December county meeting a new treasurer was suggested and elected to fill the position. Serving as the county's new treasurer will be Shirley Breininger from Ontelaunee Grange. We thank Jacob for his time and efforts while serving in this position.

Your county Grange will be involved with several activities during the up-coming months and I encourage our membership to help support and become involved with making them a success.

B.A.R.N. (Berks Agricultural Resource Network) is seeking volunteers to help celebrate National Agricultural Literacy Month the week of March 13 -17. This entails reading to Kindergarten, First and Second Graders and doing a small activity with the students. There are 161 classrooms requesting readers throughout the county schools. If you are interested in helping with this activity, please give me a call and I'll forward your information to the proper individual. NOTE: You do not have to have Child Clearance papers for this project since teachers would be in the classrooms..

To plan ahead and volunteer this summer when the Berks County Fair has once again asked us to help with their food stand from July 12 – 15. I realize this is an early notice, but it is never too

COMMUNITY SERVICE by Carlene Kleckner

Hi everyone. Hope you all had a good holiday.

A big thanks to all that took a Angle tree tags. We did 100 tags this year.

For March meeting, we are going to collect items for the Berks Humane society. Please bring dry dog and cat food, wet cans of dog and cat food, cleaning supplies, office supplies, dog and cat treats, pet toys, towels, paper towels, blankets, litter pans, pee pads, and cash or gift cards. Please bring at least one item or if you forget to bring anything just give money.

Hope to see you at the March 4 meeting and have a good winter.

BERKS HEIM by Doris Evans, 484-332-1136

Church services are happening on Sundays at 2:30 p.m. Thank you to the granges that have signed up to assist in transporting residents to these services (Bernville, Hamburg and Pioneer). Unfortunately only 15 out of the 52 weeks have been filled. Services are also being held on Tuesday at 10:15 a.m. If you are able to help at any of these services it would be greatly appreciated.

When I called for updated Berks Heim info in mid-December, they reported they had 2-3 cases of the RSV but currently they are clear of that virus. They do have a few residents and staff currently testing positive for Covid. Masks are still required.

There are no evening activities at this time. Ms. Gilmer looks forward to the day that she can begin to schedule Bingo parties and musical activities. At this time she is planning on having a Heim Fest in September, but that is not definite. She is also tentatively looking into having a Volunteer Appreciation Banquet in April. However, many of the regular volunteers have not been there since Covid began but she would like to thank those that had helped prior to Covid and those that continue to serve.

The Volunteer Services Board did hold a very successful Santa's Corner in December and also a recent Flea Market. That's a good start to getting back to our normal great Berks Heim events to make residents have a fulfilling life.

Please contact me with any questions you may have regarding volunteering at Berks Heim. Thank you.

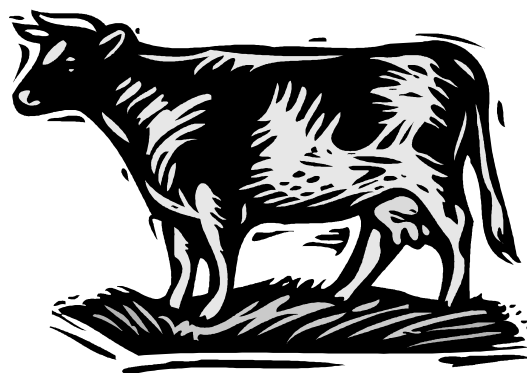

AGRICULTURE REPORT by Doug Sattazahn

Recently, my family and I attended the PA Farm Show for the first time in a few years. We made the rounds to see various animals, commercial exhibits, and educational displays. The food was delicious and the milkshakes were satisfying. It takes an army of dedicated volunteers from many organizations to pull off this eight-day show.

Some farmers bemoan the fact that the Farm Show isn't aimed just at farmers anymore. But the fact is that Pennsylvania farmers need an event like this. We don't have a traditional state fair, so the Farm Show fills the gap in educating the public about agriculture. Our state's diverse ag industry is showcased in a variety of ways, from seeing dairy cows giving birth to learning about forest products in the woodmobile. People are becoming more and more removed from where food comes from. The Farm Show allows consumers to make the connection between production ag, processors, retailers, and themselves.

The Keystone Farm Show in York has picked up the role of being a farmer-based trade show. All the latest and greatest in farm equipment can be found here and farmers get to network and catch up with every agribusiness imaginable. The food isn't too bad either.

So instead of complaining about the PA Farm Show transforming into something different, be glad we have different events that meet many different needs.

VIRGINVILLE GRAGE COMMUNITY SERVICE

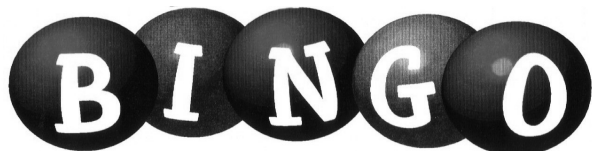

We hope everyone had a wonderful holiday and a Happy New Year!

At our benefit bingo in November, we were able to help Adrian Barlup who is a community member with ongoing medical needs. We were able to present Adrian's wife with a check at our December meeting. Thank you to all who came out to play, helped with Bingo, or made baked goods to sell. Additionally, 581 canned goods were collected and delivered to Keystone Military Families in Shoemakersville.

In December, we also rang the bell for the Salvation Army at the Redner's in Hamburg. We appreciate everyone who donated their time or money to help a worthy cause to help members in the community at the holiday season.

A new year means another opportunity for the community service committee to help others in need in the community. We invite you to come out for an afternoon of fun and fellowship at our annual bingo on **Sunday, March 12th, 2023**. A recipient has yet to be determined. Packages are \$25.00 each with upgrades and special games available. Come early for lunch as doors open at 11:30 a.m. Games will begin at 1:00 p.m. Prizes include Thirty-One bags and cash. Keep an eye out in your email or mailbox for a flyer! If you are interested in playing, please contact Denise Clare at 610-562-3876 or David Geschwindt at 610-562-7421 to reserve your seat today.

As always, we are looking for the names of individuals or groups that could benefit from our help. Please do not hesitate to contact any committee member with suggestions.

Something New: Going as a group out to eat after Pomona Meeting.

Since our Pomona Grange meetings do not last as long as they used to, lunch is not served at the grange hall.

We are trying something new by going out for lunch at a restaurant near the grange hall where Pomona is held. In March, the Pomona meeting will be held at Gouglersville Grange. The restaurant that was chosen to go to is "Paolo's Restaurant and Bar". It is an Italian restaurant.

Place: Paolo's Restaurant & Bar

Address: 2480 Lancaster Pike, Reading

Type of Restaurant: Italian (Pizza, sandwiches, wraps, full meals, etc.)

Time: After Pomona meeting, around 12:30-1:00 p.m.

Cost: Each person will pay their own bill.

We will ask you to sign-up when you get to Pomona, so we can call the restaurant and let them know approximately how many people to expect. This way they are ready for us.

HOPE you can join us. We had 14 members attend the first time. Everyone had a good time enjoying the meal and socializing.

FAMILY ACTIVITIES - Jane Reppert

I hope everyone is doing well in the New Year. Did you make a resolution for the New Year? Are you still on track with it? I hope your resolution was to get more involved in your grange. There are many activities and projects you can do. It's not too late to get started.

The Pomona Family Activities donated \$50 to Operation Holiday and \$50 to Opportunity House the last quarter in 2022.

Thank you to those that brought Christmas cookies to the December Pomona meeting for the cookie exchange and to make boxes of cookies to donation. There were 10 members who participated in the exchange and one member just donated cookies. We packed 10 boxes of cookies which were given to the Kutztown Police for their service to the community.

The winter months are a good time to work on some of the Family Activities contest. I hope there will be more entries in the contest at the Pomona Level this year. There is something for everyone to enter. Will you help your grange to have some entries. If you need the contest and rules, see your Family Activities chairperson or contact me. The judging at the Pomona level will be at the September Pomona meeting, so you have plenty of time to finish an entry or two.

The 150th Anniversary State Grange Cookbooks are still available for purchase. If you would like one, you can call me (610-562-2647) and we can make arrangements to get it. The cost is \$25.00 per book.

A special project for the Pomona Family Activities is making **"Walker Organizers" and "Premie Beanies"** (4 sizes). I have patterns for both to crochet. However, if you find your own pattern to crochet, knit, or sewing, you can make that one. The walker organizers will go to nursing homes or member of the grange who could use one and the beanies will go to hospitals.

The **Pomona Family Activities will be meeting at 9:00 a.m. before the Pomona Meeting** to discuss projects we want to do and our quarterly donations. Please come with new ideas for projects and fundraisers for the coming year. Anyone is welcome to attend this meeting.

We will be going out to eat after Pomona for lunch at "Paolo's Restaurant & Bar about 3 miles from the grange. See more information elsewhere in the newsletter.

If you have any questions about anything, please call me at 610-562-2647. If I am not at home, just leave a message and I will get back to you.

I hope everyone stays healthy and have a nice Easter.

Quotes: Live today as you will wish you had lived when you stand before God.

Spring is nature's way of saying, "Let's party!" (Robin Williams)

Tips: With Spring just around the corner, here are a few tips for gardening and house:

Set flower beds in a diamond pattern rather than in straight rows. They'll look fuller faster.

Place aromatic plants near the windows of your house so you can enjoy their fragrance.

Kill sparse weed growth in walkways or patio cracks by pouring boiling water over it.

A sturdy dinner fork makes a great weeding tool. Pull weeds after a moderate rain or a few hours after watering. Weeds are easier to remove if the soil is moist but not soaking wet.

Make mulch by spreading sheets of newspaper between flower or vegetable beds. Weigh paper down with rocks.

For low-cost fertilizer, add crushed eggshells to a gallon jug three-quarters filled with water. Let sit for a few days, then shake and use on blooming perennials.

Store garden tools (shovels, spades, etc.) in a bucket of sand. It protects their edges and keeps them from resting.

Remove firewood stored near the home. Firewood should be stored at least 18 inches off the ground at least 2 feet from the structure.

Check your gas- and battery-powered lawn equipment to make sure it is ready for summer use. Lean equipment and sharp cutting blades will make yard work easier.

Check for loose and leaky gutters. Improper drainage can lead to water in the basement or crawl space. Make sure downspouts drain away from the foundation and are clear and free of debris.

Get a great non-streak shine on chrome fixtures and mirrors by using rubbing alcohol (which you probably keep in the bathroom anyway). Apply with a soft cloth or use cotton balls.

PROGRAM COORDINATOR by Debra Kieffer

Hello Everyone.

My name is Debra Kieffer I'm your newly elected Program Coordinator. I think I had started my program off strong at the December Pomona meeting. Everyone was involved and seemed to have a good time trying to win prized wrapped in saran wrap. I will turn the program over to Gail Switzer for the March meeting with the Juniors. As I will be returning from vacation that weekend.

For those that don't know me, I'm a very involved person. I'm on the consistory, in the choir and church secretary at our church. I'm in Farm Women of Berks County, I'm the County Farm Women Board Secretary and belong to Marion Grange where I'm also the program coordinator. I'm the secretary of the Marion Township Alumni. Team captain of our Relay for Life Team Walkin' For a Miracle along with a great team. I'm also a chalk designer with Chalk Couture.

I live on a dairy farm with my husband Mark and son Andrew. The 3 of us run our farm together. In my spare time I like to do crafts, crochet and chalk.

Legislative (complaint) Report by Kenneth Schlegel

Do our legislators get anything done while they're in session? In the last session ending at the end of 2022, PA legislators enacted 166 laws. That's the highest since the session which ended in 2016, in which 175 were enacted! Some of the accomplishments – they addressed fentanyl, deteriorating homes, victim's rights, homelessness, budgeting process tax rates. For instance our corporate tax rates are the highest in the nation 9.99% . It has been lowered to 8.99% and will continue to go down over the coming years.

Another large number of laws were renaming bridges, interchanges, highways and roads. I'm sure many are waiting to have a traffic circle named after them.

Mark Rossi, a Berks County legislator, was named House Speaker. By the way, he has never attended one of our legislative banquets! Sandy Graf-fius , our County Controller for 20 years will be retiring. Every year we had a legislative banquet she was always the first to reply.

One thing that kind of surprised me was our past Govenor. In the last 8 years he has pardoned 2,540 convicts! Maybe the legislators past 166 laws, but well over 400 never made it out of committee! The power of one individual!!

PRESIDENT'S MESSAGE (continued)

soon to provide this type of information to our member ter.

ship. A schedule will go out in the May ECHO newsletter.

I would like to emphasize that each Grange should make sure they are covered with Fidelity Bonding insurance. What is Bonding Insurance? Fidelity Bonding is a type of insurance coverage to protect the financial assets of your Grange (Community, Pomona, or State). Bonding insurance coverage is included with the 2nd Quarterly Report to the PA State Grange. The Secretaries of each Subordinate Grange need to complete that particular section when submitting their quarterly membership information to the State Grange. I will distribute more information to the Presidents of the Community Granges at the March 4 Quarterly meeting at Gouglersville Grange hall.

In closing, I would like to provide the comments that were made by our National Grange President and the PA Secretary of Agriculture Russell Redding in the National Grange President's message of The Patrons Chain for January 13, 2023.

National President Betsy Huber stated the theme for this year's Show (Farm Show) is "Rooted in Progress." It reminds me of our National Grange tagline, "American Values, Hometown Roots." PA Secretary of Agriculture Russell Redding stated, "Roots are the start of a legacy, allowing us to grow, keeping us grounded, and eventually allowing us to bear fruit that feeds and enriches the lives of others." We can apply this to the Grange as well as to agriculture.

Redding continued, "It is holding onto your core values and traditions while being open to change and growth. It is why you plant a seed – not for it to stay a seed, but for it to grow and flourish."

President Huber further stated, that is what the Grange is about – holding onto our values and traditions, while also being open to change to allow us to continue to grow and flourish in our communities. This would be a good topic for discussion at your Grange meeting. How should we change to allow continued growth, yet still hold onto our American values and hometown roots?

Some good thoughts to the words above!

Gail Switzer
2022-2023 National Grange Outstanding Young Patron

As some of you may have heard or seen, I have the honor of representing the Youth and Young Adults at the national level after being chosen as one of the National Grange Outstanding Young Patrons at National Session in Reno, NV.

The other member of the Youth Team is Autumn Whitaker, from North Carolina. Autumn's and my goals are to get more youth involved on the national level and to encourage young adults who were previously active youth to get back involved in the youth and young adults programming. I can personally say I know how hard it is to balance family, work, post-graduate schooling, as well as other activities – but it is possible so I am hoping we see an increase in participation.

In addition to Autumn and I, Nettie Hartley, from Rhode Island, is serving at the National Junior Grange Ambassador for the upcoming year.

Please feel free to invite me (or all of us) to any meetings or special events as you would like.

HAMBURG GRANGE

The Hamburg Grange is sponsoring an AYCE Homemade Chicken Pot Pie Dinner on Saturday, March 11, 2023, with a snow date of March 25, 2023, from 4-7PM at the Hamburg High School, 701 Windsor St., Hamburg. All proceeds will benefit the Hamburg Historical Society Capital Campaign.

Cost is **Dine-In for Adults \$12, 3-8 \$5, 2 and under free Take-Out Meals and Quarts \$10**

Bake Sale available. For more info, please contact Michael Adams at 610-562-5933. 9

YOUTH NEWS by Erika Berger

The Youth and their families and friends attended a Reading Royals on January 14th. Thank you to everyone who supported this fundraiser and came out for a fun time!

Feel free to contact me with any suggestions on events or fundraisers the Youth can do!
