What is Spotlight?

Spotlight Travel Network is an informal group of travel professionals throughout North America who value and seek mutually successful business relationships. There are no membership fees. We just ask that you participate by building open and honest relationships, pursue growth and learning, and adhere to the Spotlight family spirit. Perfectly illustrating the guiding philosophy of Spotlight is a quote from "Good Morning Beautiful Business" by Judy Wicks: "When a coin passes from one hand to another, it is not the coin that is important but the warmth of the hand."

With annual regional conferences conducted throughout the country, Spotlight combines educational seminars, networking functions, and a trade show. Tour operators are primarily domestic (including Canada) and range from small operations to large receptive companies (and everything in between). The ratio of suppliers to operators is never more than 2.5 to 1. Spotlight is casual and intimate. We don't just network - we build relationships at Spotlight. There are three days of interaction in which to conduct business. The goal is to build lasting relationships. New tour itineraries to off the beaten path destinations are highlighted, using the closest regional cities as arrival and departure points. We truly believe that once you experience the Spotlight difference, you'll be sold on our brand of doing business in a warm, casual, fun, and professional way.
