About Me

Hello! My name is Alaina Jerome. When I'm not in the classroom you can find me caught up chatting somewhere or hanging with the awesome afterschool kids! I've been with my husband for 15 years. We have 2 kiddos, Gianna and Ronin.

In the summer you can find me spending hours in my garden or playing rec league softball on the same team I started 10 years ago.

I live for camping, hiking or anything outdoors. I love all things crafts!

Victory is unlike any other environment and my heart is ignited for Jesus and loving these children while they grow through Christ and their education.
