Keuka Yacht Club

Volume 34, Issue 1

April 16, 2018

## WELCOME SPRING!

After a very long winter I am sure all of you are thinking about the great times you have had and anticipate to enjoy at the Keuka Yacht Club. I know I am ready for spring and summer! To kick things off put **Saturday April 28** on your calendar for the club scrub. We will have coffee and donuts for all at 9AM.

Looking ahead, **Friday night May 11** will be the first open night at the bar 5-9PM. Kim Cunningham will be our happy bartender and steward again this summer. Look for seasonal foods available to order.

**Mother's Day, May 13**, will arrive with a wonderful brunch buffet catered by Around the Corner Catering. If you missed this last year make sure you sign up early. We will start taking reservations on *April 15*. We will reserve a time and set a table for your family. Brunch will be 11AM to 1PM and will include a Mimosa or Bloody Mary for each mother in attendance.

Looking forward to a wonderful 2018.

House and Social Chair

## CLEAN UP DAY—SATURDAY 4/28 Starting at 9am

Please come out and help on Saturday 4/28—many hands make all the jobs go fast!

This is a reverse of the fall cleanup in that all the items stored inside need to get moved back out to their proper places.

Yard work will cover basic tidying of the grounds.

Inside we need to dust off and get our supplies out of winter "storage" and ready for the season.

Coffee and donuts for all starting at 9AM.

Last year's made to order station with Chef Tyler and dessert buffet on Mother's Day.

### NEWS FROM THE LIGHTNING FLEET

**N**ew KYC and Lightning Fleet member Roger Slade and his son Andrew sailed in the St. Pete Lightning Winter Championships in March 2018 with fellow Lightning sailor, Bob Astrove in his brand new Allen Lightning in a field of 52 boats.

Andrew Slade received an award for youngest participant (14) and had his name engraved on a perpetual trophy for the Lightning class. There was perfect winds for us over the 3 days of racing. Overall, they finished around 33 out of 52, and were pretty happy with that given the competition there, which included district, National, Olympic, and World champions.
