COVID-19

As of the date this bulletin was sent to the printer, masses are still being held outdoors in the courtyard. The current policy of the Archdiocese is that as long as the county is in the purple tier, services may only be held outdoors. If and when the county moves to the red tier, services may once again be held inside the church, however with the same restrictions that were being followed in June.

Archdiocese policies and information may be found at:

Act of Spiritual Communion

My Jesus, I believe that You are present in the Most Holy Sacrament. I love You above all things, and I desire to receive You into my soul. Since I cannot at this moment receive You sacramentally, come at least spiritually into my heart. I embrace You as if You were already there and unite myself wholly to You. Never permit me to be separated from You. Amen.

Saint Agnes

Saint Agnes - January 21

Almost nothing is known of this saint except that she was very young—12 or 13—when she was martyred in the last half of the third century. Various modes of death have been suggested—beheading, burning, strangling.

Legend has it that Agnes was a beautiful girl whom many young men wanted to marry. Among those she refused, one reported her to the authorities for being a Christian. She was arrested and confined to a house of prostitution. The legend continues that a man who looked upon her lustfully lost his sight and had it restored by her prayer. Agnes was condemned, executed, and buried near Rome in a catacomb that eventually was named after her. The daughter of Constantine built a basilica in her honor.

Like that of Maria Goretti in the 20th century, the martyrdom of a virginal young girl made a deep impression on a society enslaved to a materialistic outlook. Also like Agatha, who died in similar circumstances, Agnes is a symbol that holiness does not depend on length of years, experience, or human effort. It is a gift God offers to all.

Saint Agnes is the Patron Saint of:
