"The Right to Life, Liberty, and the Pursuit of Happiness."

Attorney General William Barr gave a speech at Notre Dame University on October 11, 2019 about the attacks on religious liberty that have happened in recent years. William Barr is Catholic and the speech he gave was outstanding to say the least. You should read the speech or check the video on YouTube. I am very glad that this man is our attorney general and I wanted to include a few excerpts of his speech and encourage you to check out the entire speech on the internet. It is nothing short of a masterpiece!

" in the face of all the increasing pathologies—instead of addressing the underlying cause, we have the State in the role of alleviator of bad consequences. We call on the State to mitigate the social costs of personal misconduct and irresponsibility. So, the reaction to growing illegitimacy is not sexual responsibility but abortion. The reaction to drug addiction is safe injection sites... more social programs to deal with the wreckage. While we think we are solving problems, we are underwriting them."

"Ground zero for these attacks on religion are the schools. To me, this is the most serious challenge to religious liberty. For anyone who has a religious faith, by far the most important part of exercising the faith is the teaching of that religion to our children. The passing on of the faith. There is no greater gift we can give our children and no greater expression of love. For the government to interfere in that process is a monstrous invasion of religious liberty."

"I do not mean to suggest that there is no hope for moral renewal in our country. But we cannot sit back and just hope the pendulum is going to swing back toward sanity. As Catholics, we are committed to the Judeo-Christian values that have made this country great. And we know that the first thing we have to do to promote renewal is to ensure that we are putting our principles into practice in our own personal private lives. We understand that only by transforming ourselves can we transform the world beyond ourselves."

**Pray for our Government leaders and God Bless!!!
Fr. Chris**

On Course With Christ

A letter from Bishop Thomas was sent out asking for your gift and/or pledge to support the ministries of the Diocese of Toledo. This letter gives all parishioners an opportunity to contribute to the appeal, especially those who are unable to attend Mass. The Annual Catholic Appeal will be unbelievably successful if every member of our parish carefully considers their circumstances and truly strives to give a significant gift. Please give prayerful consideration to your level of support to help fund the essential ministries and services supported by the Appeal. To learn more about the appeal visit: Toledodiocese.org/ACA.
