## Units and Councils:

It is my pleasure to issue this call to the 2019 Spring Conference and Annual Meeting.

We are celebrating units during this 95<sup>th</sup> Western Region PTA Spring Conference and Annual Meeting! Whether your unit is our youngest chartered unit or our oldest – we will be celebrating you and the work you do for children!

The evening will include valuable information and resources for you to take home, an opportunity to find out more about mental health first aide for students, and the chance to engage with other attendees over dinner.

During the annual meeting, we will conduct our year end business including the election of new officers. All members are encouraged to attend. For the purpose of voting during the meeting, units and councils should appoint delegates as detailed below.
