PROCEDURES & POLICIES

REGISTRATION PROCEDURE

Register ONLINE (www.leduckchokeycamp.ca)

- Or -

Register by mail:

Please complete a separate form for each player.

A player registered in more than one camp requires only one registration form.

Detach the completed registration form from this brochure and attach to it a cheque or money order made payable to:

Leduc K of C Hockey School

Mail the completed registration form and payment to:

Leduc K of C Hockey School
5107 - 45 A Street
Leduc AB T9E 5X1

CONFIRMATION PROCEDURE

We will send the parent/legal guardian a notification confirming whether or not registration can be made as requested.

A confirmation package will be sent after a program has been filled to capacity or approximately one month prior to commencement of the hockey school, whichever occurs first. If a desired program is already filled to capacity, we will provide an alternative or the option of being placed on a waiting list.

The confirmation package may contain additional information and notice of changes.

On the first day of the program, please bring the confirmation letter with you to the registration desk.

EQUIPMENT POLICY

Before any child is allowed on the ice, the child must be dressed in full and properly fitting hockey equipment. Parents/legal guardians are responsible for participants being fully dressed and ready for ice times.

CANCELLATION OR REFUND POLICY

All cancellation requests must be submitted in writing.

A full refund will be issued providing the cancellation request is received before August 1, 2019. After that date, only emergency cancellation due to illness and/or injury will be considered. The cancellation must have supporting medical certificate(s) and will be handled on a case-by-case basis. An administrative fee may also be charged.

No show - no refund: Fees are non-refundable to participants if they do not attend or complete the program.

MOVEMENT & PROGRAM REDESIGN POLICY

The Knights of Columbus and University of Alberta Golden Bears reserve the right to move a child into a different program if the child demonstrates either exceptional skills or lacks sufficient skills. The child and parent/legal guardian will be invited to participate in this decision-making process. The organizers also reserve the right to cancel or redesign any program due to circumstances not to the benefit of the participants and/or the Hockey School.

SUMMER HOCKEY WITH THE GOLDEN BEARS

In partnership with the Knights of Columbus Fr. Leduc Council, the Golden Bears Hockey School is coming back to Leduc from Monday, August 12 to Friday, August 16, 2019.

This program has run in Leduc since 1988. Sharing a tradition of great success, the Knights of Columbus and the University of Alberta Golden Bears Hockey School is committed to teaching excellence. With over 30 years of organizing and teaching experience, participants will receive quality instruction both on-ice and off-ice. The biggest praise received from previous participants has been the exceptional value for the price. Our main goal is to make this a positive learning experience for your children in a fun-filled environment.

This unique and improved hockey school consists of three major sessions: power skating, on-ice workouts and off-ice training. Each session is appropriately designed for the age group and skill level. Participants will learn about skating techniques such as edge control, balance, quickness, speed, agility and power. They will then apply their skating skills to other skills of the game such as puck control, passing, shooting and checking. On-ice sessions will enable practising what has been learned in the other sessions and apply this to game situations. Off-ice sessions will focus on: individual strength, flexibility and endurance, concepts of the game, and team building exercises.

Hockey is a team sport and therefore, along with strong individual skill development, there will be an emphasis on team building as well.

HIGHLIGHTS

- Hockey practice jersey is included with registration
- Door prizes to be drawn

- Programs include:

- Fundamentals Camp
- Skills & Concepts Camp
- Open Scrimmages
- Fundamentals Plus Camp
- Skills Development Camp
