Do You Have a Family Member Serving in the Military?

The Lakewood Forest Civic Association is putting together care packages for residents or family members of residents in the military who are currently deployed or stationed away from home. The packages will contain things like snacks, personal hygiene items, holiday-themed items, gift cards and more. They will be sent in early December to coincide with the holidays.

If you know someone who would enjoy receiving a package from their neighbors here in Lakewood Forest, please send an email to Linda Musthaler at lmusthaler@sbcglobal.net or call her at 832-247-5854. Last year we sent packages to eight service members serving in the U.S. or abroad. It's up to you to nominate the recipients. They must be on active military duty away from home.

Time flies! Summer is quickly turning to fall with a greater emphasis now on gardening in the cooler months ahead. We hope you have had a good summer and moments to relax with family and friends.

Lakewood Forest Garden Club resumes its regular meeting schedule in September where plans for the new year will be laid out by our leaders.

Members of the Lakewood Forest Garden Club departed Houston for a summer bus trip to the George H. W. Bush Presidential Library and Museum in College Station. Upon arrival, first the grounds were explored – a beautiful pond, manicured landscapes, and the Bush family gravesites. Then inside the library, there was an enlightening self-guided tour about the life and career of our 41st president. Artifacts of his time in office were displayed as a reminder of his important role in major world events. We had lunch at Fuego's, a family run Mexican restaurant. We enjoyed the hospitality of the owner and his son as well as a delicious meal. After lunch we visited the Leach Teaching Gardens at Texas A&M University in College Station. A large area of land was designated for the agricultural project. With input from various stakeholders, a design was conceptualized to showcase a variety of gardening schemes such as herb, heritage, citrus, cactus, and butterfly gardens with an emphasis on sustainability.

Yard of the Month for October 2019 will be judged by garden club members the last week of September in Lakewood Forest. The first place winner will receive a \$50 gift certificate from Plants for All Seasons. Honorable Mention receives a \$25 gift certificate.

Guidelines for Judging *Yard of the Month*

Once a yard has received the “Yard of the Month” award, it is not eligible for further awards for one year. An honorable mention yard will receive a \$25 gift certificate from Plants for All Seasons. Yards are judged in March, April, May, June, October, and November.

Judging is done by members of the garden club on a rotating basis, using the subdivision sections as listed in the Lakewood Forest Directory. It is usually done the last week of the previous month; e.g., judging for **October** would be held the last week of **September**.

2019 Fall Plant Sale!

It's hot and no one wants to work in their gardens, but fall is coming and we are all going to be wishing for lots of pretty fall color. Just in time, here comes the Lakewood Forest Garden Club Plant Voucher Sale. It is the only fundraising project done by the garden club each year, and it helps us support the many charities and organizations in our area like the ones mentioned in previous newsletters and highlighted in the August 2019 issue.

Plant vouchers will go on sale in September and may be redeemed at Plants For All Seasons on Hwy 249. You will have your choice of many beautiful fall plants including favorites like pansies, snapdragons and many others. When you go to redeem your voucher, Plants For All Seasons also can assist you in picking groupings of different plants that will look wonderful in your garden.

One nice thing about the voucher sale is that you do not have to pick up all your plants at the same time. You may also use the voucher to purchase items like the seven pound jars of MicroLife fertilizer, hardwood mulch and six-inch pots of cyclamen. The container of MicroLife fertilizer can also be refilled at Plants For All Seasons at a reduced price as often as you need.

If you have bought vouchers from a friend or neighbor in the garden club before, please give them a call and let them know you are looking forward to purchasing again.

For more information about the Fall Plant Sale, please call Harriett Bedenbaugh – 281-890-4641.

We truly appreciate your support of Lakewood Forest Garden Club!

Gardening Hints From the Pro, Sherri

September To-Do List

This time of the year fall is in the air!

In the Lawn

Water well but less often. With shorter days and cooler nights, begin to reduce the amount of water applied as needed. Avoid watering in the evenings if possible to prevent fungal diseases. It's time to feed your lawn to get it recovered from summer. Watch for chinch bug damage and brownpatch and treat it ASAP with the appropriate product. If you're not sure what's happening in your grass, bring in samples and pictures to the nursery, or email me at sherriharrah@yahoo.com and I'll be happy to help diagnose it for you.

In the Flowerbeds

Refresh your flowerbeds and containers. It's time for snapdragons, dianthus, mums, petunias, lobelia, crotons and more. This is my favorite time to plant flowers! Fall flowers, for the most part, will last through the winter. You get so much bang for your buck this time of year!

In the Veggie Garden

It's time to start your fall vegetable garden. Early September is your last chance to get tomatoes and peppers in the ground.

Cool-season vegetables such as these can be planted directly in the garden from seed or transplants.

Cauliflower, broccoli, brussels sprouts, cabbage, kale, mustard, lettuce, and kohlrabi can be planted September through January. Look for seeds or transplants to add to your garden. Maintain watering on newly planted seeds and transplants. Do not rely on your sprinkler system! Get out the hose and hand-water the first two weeks after planting.

Hummingbirds

Migrating hummingbirds can be found at your feeders and natural nectar sources. Keeping feeders clean, filled, and in a shady area will encourage visitors

FAN invites you to join us **Tuesday, October 1** at Faithbridge Church, 18000 Stuebner-Airline Road. Meet and greet at 9:30 a.m. and business meeting at 10 a.m.

Our Program – *Come From Away*

Local couple, subjects of Broadway musical, tell their inspiring story.

The Tony-winning Broadway musical *Come From Away* plays in Houston next March, and a local couple will describe their adventures that inspired the play.

Area residents Nick and Diane Marston, then strangers, were among 7,000 airline passengers unexpectedly stranded on 911 in Gander, Newfoundland, Canada. In the aftermath of the terror attacks, that small community jumped into action to house, feed, clothe and comfort passengers and crews initially not permitted to leave the airport.

The musical chronicles how the stranded travelers began to accept their hosts' hospitality and bond with them and each other. Anxiety and uneasiness turned into trust, and gratitude grew into enduring friendships.

Ten years later, many of the crew and passengers reunited in Gander to celebrate those lifelong friendships and strong connections. Playwrights and composers Irene Sankoff and David Hein visited Gander on that 10th anniversary to interview locals and returning passengers. They translated some stories, including Diane and Nick's, directly to the musical.

Now married, Diane and Nick live in the Houston area and travel the world to celebrate each new production premiere of *Come From Away*, the musical based on their Gander experiences. It opens **March 3** at the Hobby Center.

Nominated for seven Tony Awards, the musical has been described as "a cathartic reminder of the capacity for human kindness in even the darkest of times" and "the triumph of humanity over hate."

Hope to see you **October 1** at Faithbridge Church.
