The purpose of this study is to present the evidence that the geometric ley lines of Delphi layout is set to the Cydonia, Mars ley lines. Pertaining to the Cydonia, Mars anomalies, there are 3 main pyramid structures that comprise the Martian Motif. There is the famous Face of Mars, the giant Pentagon Fortress and the Pleiadian Pyramid City. These structures triangulate each other and would make up the core of a large metropolitan city on Earth. What is astonishing is that such an alien Motif is seen implemented in the architecture of almost all the ancient civilizations on Earth. This started, at least based on the archaeological record after the Flood of Noah with Babylon and Sumer. How the Martian Motif is tied to the ley lines of ancient cities, temples and structures is that perhaps the lost knowledge and connection of the Martian civilization was conveyed to the few and selected ‘priestly’ class on Earth that constitutes the Secret Societies, etc. This special class of humans are perhaps tasked at keeping the legacy, lineage and bloodline operational. Even now in the modern era, the same Cydonia, Mars motif is incorporated into the major capitals.
