Please note – On signing this application form you are entering into a binding agreement for the duration of your annual membership to abide by the Rules, Constitution and all other Policies of the NIFAA including the IFAA rules that govern or control field archery as an overreaching authority to the country associations.

Failure to abide by these rules will result in you not being covered by the NIFAA Limited Liability Insurance.

1. Only equipment that is legally permitted to be used under NIFAA/IFAA rules or the law of the country you are shooting in is permitted to be carried on or at a NIFAA site, course or tournament, including practice sessions either formally or informally attended.
2. Adherence to the IFAA Code of Conduct is mandatory at any or all NIFAA organised, managed, or owned tournaments or organised shoots on any course.
3. All archery equipment will conform to any or all IFAA limitations by way of speed, configuration, manufacture, or material. The NIFAA reserves the right to check this at any time an archer is present at a NIFAA event.
4. No member is permitted to bring a non-member onto any NIFAA course to shoot unless that person has completed a temporary membership form in advance, and it has been approved by the requisite committee members.

Please note - The above rules relate to NIFAA membership, the NIFAA insurance clearly requires all archers to abide by the rules at any course that has been chartered by the NIFAA, for archery, under the NIFAA banner or risk being uninsured. It is the responsibility of the Club to manage this adherence at their venue when shooting under the NIFAA insurance and to maintain suitable records of all those attending.

- I hereby agree to abide by the Rules, Constitution and Policies of NIFAA and of the IFAA and wish to apply for membership of the Northern Ireland Field Archery Association.
