I agree to the following:

- I agree to pay all bills when due. Failure to do so will result in disconnection of service.
- I agree to pay reasonable attorney fees and other costs of collection after default and referral to an attorney.
- If intent of connection is for residential use, I agree that the water connection is for one residence only or one dwelling per meter. I, the property owner, hereby give FSSD permission to enter the property at any time on 5 days written notice to conduct an inspection of the water lines.
- I agree to abide by all of the rules and regulations of FSSD, including the water dedication requirements and payment of an impact fee and a connection fee and all other fees as set forth in the Fee Schedule applicable at the time the payment is made. The District assumes responsibility and maintenance of the meter box if it is determined that the meter has been tampered with, and I, the customer, will be held responsible for costs of repairs.
- If access to the water meter for monthly reading is denied, then service will be terminated.
- FSSD requires the installation and inspection of a backflow prevention device and recommends the installation of a pressure regulator and a stop & waste valve on the Customer's side of the meter.

**In ordinance of The Utah Code R309-105-9-(3), R309-504-5(4), and R309-550-11(3) Individual home booster pumps are not allowed for any individual service from the water supply main. Use of Home Booster pumps will cause service to be terminated.**

I certify the information I have provided is true and accurate and any false statement made constitutes reason for immediate disconnection. **METER FEE IS TO BE PAID WHETHER WATER IS USED OR NOT**
