Blocks will change as my students change. There is some overlap because I am getting students in the morning as well as later in the morning before lunch.

**Steve Carlile** is only with me on Monday and Friday.

**Romello Lolakis** is only with me for periods 1-3 (no electronic devices)

**Josh Velasquez** is with me from 10:15-2:08 (no electronic devices)

**Ethan Black** is with me from 7:50-2:08 but on Thursday and Friday he leaves after lunch and gets extra help upstairs.

**Jacob Freeze** is with me from 7:50-2:08 but he spends the morning with Mary Williams in his online classes and then comes down to my lab after lunch. His attendance is very bad. (We have all been working on it.)

**Tyler Mitulinski** is only with me for periods 1-3.

**Noah Popson** is with me all day until period 9. Period 9 he goes to Mrs. Francis for math.
