

Cares for Cancer Beard "Save"

Steve "Greeley" Anderson has volunteered to grow his beard out until the Cares for Cancer Benefit. He started growing it out on September 1st and if \$12,000 is reached by March 1st he will **DYE** his hair and beard **PINK!**

Greeley is asking people to donate \$20 for 3 months (December-February) for a total of \$60 for each person who is donating. The total goal is \$12,000.

By donating, you are saying you want Greeley to **KEEP** growing his beard and **DYE** it **PINK!**

And we ask Greeley.... Why do you want to do this?

"I'll be doing this in honor of people like Paul Fenske, who have lost their lives to cancer...
for people like Gary Gabbert, that are bravely battling...
and for people like Ken Krump that have been declared cancer free.
We're all in this fight together...so let's turn pink into green. Thanks everybody!"

Individuals have the option to pay the \$60 donation up front or contact Karly Steinwehr (701-899-0951) for information regarding automatic withdrawal from your bank account for the \$20 per month for 3 months.

**9th Annual
Cares for Cancer Benefit
Saturday, March 28th - 3:30 - 8 pm
Hankinson, ND**

Please send donation and this portion of flyer to:
